REMEMBER

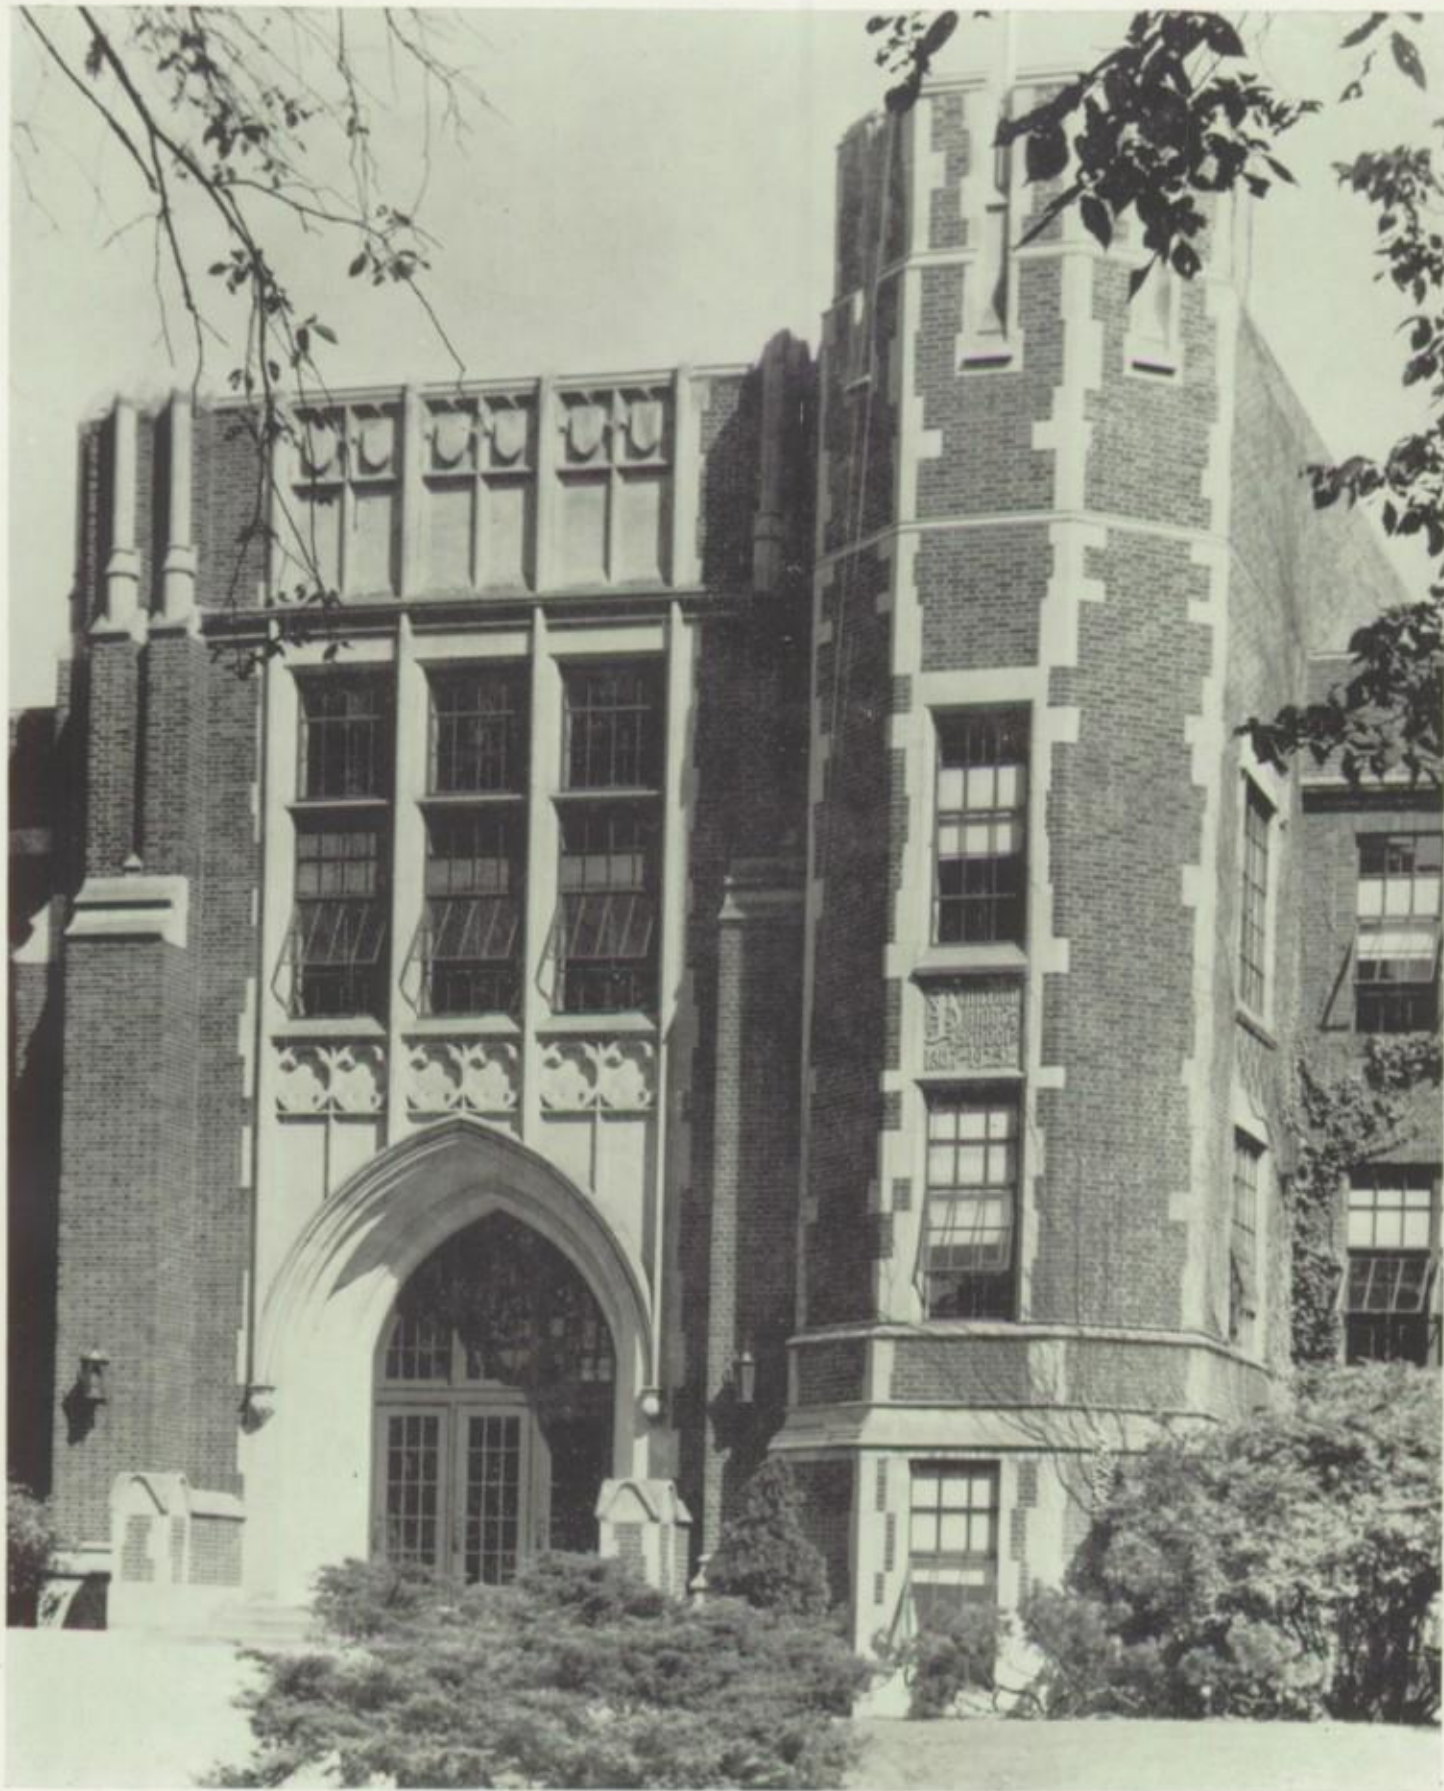

WHEN...

Our Year Began In Fall,

MARY LOU OTT

*We came to school when the leaves were turning
To begin our task of another year's learning.*

Whirled Into Winter,

MARY LOU OTT

Winter came—the temperature began to dive.

We gave our support to the winning five.

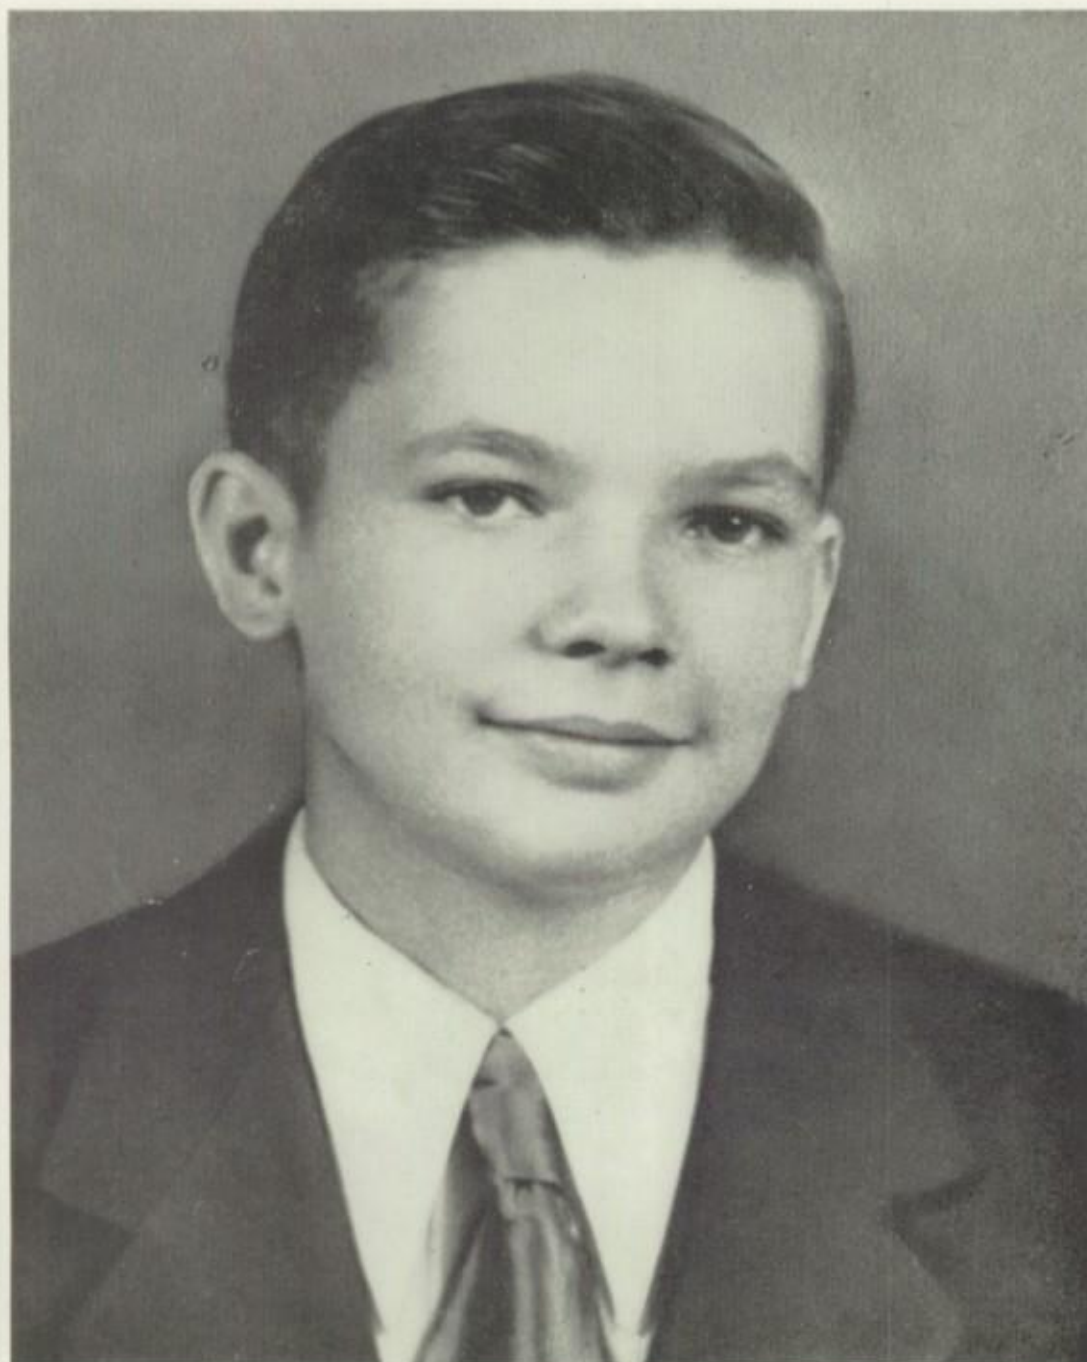

And Climaxed In Spring.

*The time has come for us to look
Into the past with our memory book.*

Pause To Remember

IVAN SANDBERG

His cheerful manner and sparkling wit

Remember Ivan? Who can forget the humor, personality and the brilliant genius of our classmate?

To many, his outward appearance was one of the clown, anything for a laugh. But to those of us who knew him, he will be remembered as a real friend, with a warm heart, a brilliant mind, and a keen sense of humor.

To the rest of us, as we grow older, Ivan will remain as a symbol of those formative years at Princeton High School. We will always remember the good times we had with him. It is our hope that this book, dedicated to him, will remain as a memorial to him and to our eventful years at Princeton High School.

will ever be remembered.

Foreword

. . . Just a word before you continue. Here is your copy of the 1953 TIGER. We of the staff hope that whenever you look at this book, you will be reminded of those wonderful days at P. H. S.

We have tried to make this publication one that you will cherish and enjoy in years to come. To show the unity of the school, the snaps were combined. The last section, "The Record," was completed by the Baccalaurette and Commencement programs along with the class prophecy.

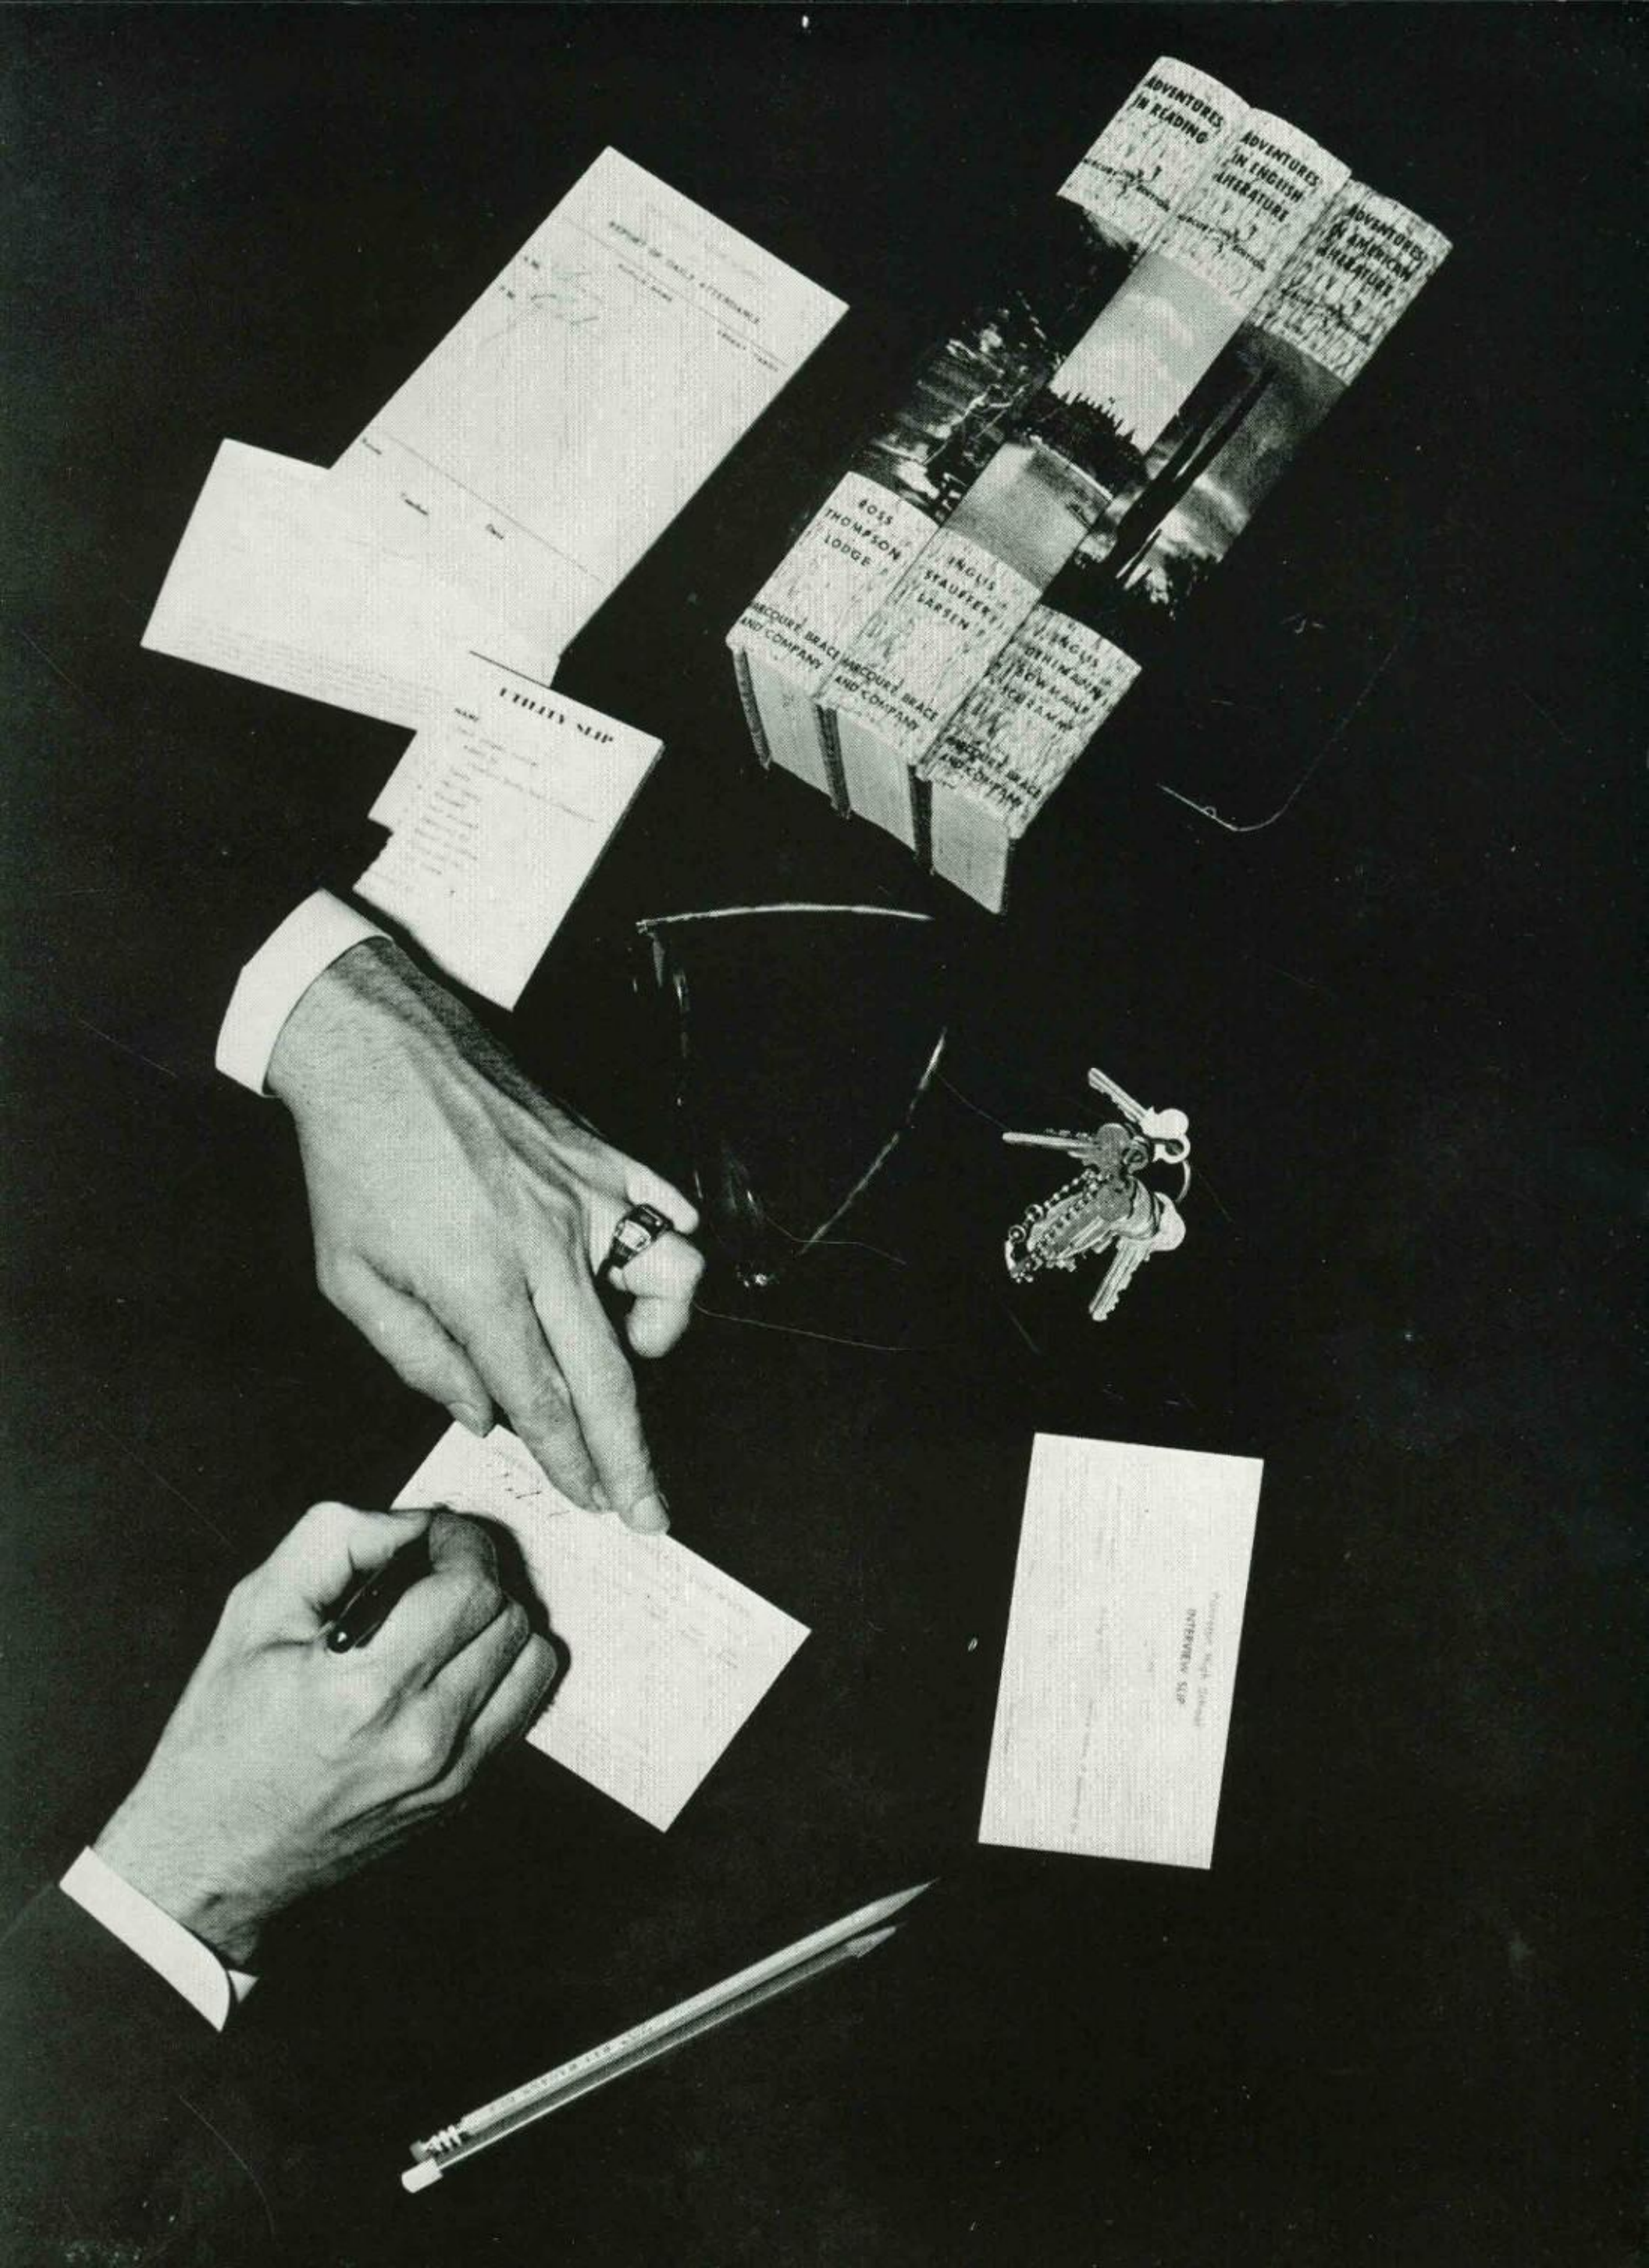

Some members of the staff were privileged to attend a press conference in the fall at Champaign. They obtained many new ideas: for instance, the division pages and the central theme, the "memory book."

The clasped hands move from the cover through the book via division pages to show the fellowship of our class and school.

It certainly has been a pleasure to have been associated with the production of this yearbook. We sincerely would like to thank the members of the staff and especially our capable and untiring adviser, Mr. Kenny. We hope that as you glance through these pages, you will remember the outstanding class of 1953.

And so without any further ado, we proudly present the 1953 TIGER . . .

SCHOOL BOARD

THE MEMBERS of the Board help solve the financial problems of our school, but also have time to give one party a year for the entire student body. The president of this necessary group of citizens is Mr. Charles T. Fawcett. The four others who comprise the board are Mr. C. A. Markman, Mr. Warren Chase, Mr. James H. Lowry, and Mr. Miles W. Bryant. These men meet regularly on the second Tuesday of every month, and at numerous other times as necessary.

They are all successful men in their lines of business endeavor. They are civic-minded enough to devote a large portion of their valuable time to the training and guidance of teen-age youth. Another of their responsible jobs is hiring competent faculty members. We wish to extend to them our appreciation for the wonderful work that they as a board have done for us.

MR. HOLT

PRINCIPAL

LAST FALL we were greeted by a new principal of P. H. S. It seemed rather strange to have a new man at the helm, especially to those of us who knew Mr. Shaffer and were aware of his long service. Like Mr. Shaffer, Mr. Holt quickly demonstrated his willingness to lend a helping hand whenever students need it.

Mr. Holt has been especially helpful to the seniors in this their final year, and we deeply appreciate the work he has done in our behalf. We

believe it is a compliment to say that he has become a "fixture" at P. H. S.

This is Mr. Holt's first year in Princeton. He came to us from Granville, Illinois, where he had previously been employed as principal. Mr. Holt attended Southeast Missouri State Teachers' College at Cape Girardeau, Missouri. He has also done post-graduate work at the University of Illinois.

FACULTY IN THE INFORMAL MOOD

Cooks and Custodians

CAFETERIA SERVICE was instituted at Princeton High School in 1946. From that time, the students have enjoyed excellent meals every noon and at special banquets. Mrs. Clara Walstrom and her competent assistants, Miss Ellen Pearson and Mrs. Vivian Booth, deserve the title bestowed on some of the best chefs. They are, indeed, the "Epitome of the Culinary Arts."

The custodians, Mr. Jack DeVore, Mr. Bill Brown, and Mr. John Betz, are needed all during the school year, at parties and club functions taking place at night. Although they are kept busy keeping the school in good condition, a smile and "hello" always greet you.

SENIOR CLASS OFFICERS

BOB KEMPER, *President*
SHIRLEY SPENCER, *Secretary*

RONNIE ELLBERG, *Vice President*
BILL JOHNSON, *Treasurer*

I WOULD LIKE to thank all the Representatives and co-officers for their excellent co-operation and service. They include: Vice President Ronnie Ellberg; Secretary Shirley Spencer, and Treasurer Bill Johnson. The Representatives include Carolyn Anderson, Joyce Elliott, Lyle Lund, Ray Marmaro, Jeanna Nix, Bob Peterson, and Max Thompson. Together they formed the Senior Council and were responsible for planning most of the activities of the Senior Class. They served their class and school well for the entire year.

Also serving the class faithfully were our class advisers, Miss Ashdown and Mr. Grace, and our annual adviser, Mr. Kenny. They were often called upon to help and gave freely of their valuable time. To them we are truly grateful.

Of course, a big thanks goes to the members of the Senior Class, who have worked so well together. We have accomplished much as a class, and our class will never be forgotten in Princeton High School history. We will always be proud to say we were members of the class of '53.

THE JUNIOR CLASS officers this year were Stan Peterson, president; and his crooked administration as follows: Dick "How about a mink coat?" Small, vice president; Byron "We put it in cold storage" Marks, secretary; and Don "How about a buck" Faley, treasurer.

Homeroom 205 (Mr. Maechtle's) walked off with first prize for the Homemaking float contest and the magazine sales contest too.

After many suggestions as to how to raise money, we decided to sell basketball pins. (Whose ball team profited by that, I wonder.)

The Junior Class can boast one star. That is John Gleason. The kid's an all-around guy. Just ask him. In reality we have many more, but no one else says anything about it.

Thanks to our advisor, Mr. Sheffer, we had a very successful year.

STAN PETERSON

The Sophomore Class in every way has tried to make possible a better class and school. I think as class president and having been around these boys and girls, that each and everyone has tried to do his best to reach this goal. As seniors I hope they work twice as hard.

RICHARD HULT

The class of 1956 held election of officers rather late in the year. Those finally elected were: Daniel McDonald, president; Daniel G. McDonald, vice president; Charlene Elliott, secretary; Cheryl Ellberg, treasurer. The cheerleaders are: Nancy Sutcliffe, Mary Stamm, George Washington and Sandra Wigal. The class advisors are Miss Wright and Mr. Maechtle.

PRINCETON HIGH

EXTRA! EXTRA! Read all about it. Princeton High School has a one-hundred piece band.

This year our band was invaded by fifty freshmen. Right now we'd like to take time to thank them for being such good sports. Don't forget that all of us were freshmen once.

Remember trudging over to the Princeton vs. Walnut football game to play the "Star Spangled Banner" with their band and to perform at half time! And how we plowed through those frosty nights practicing for Homecoming?

We surely surprised Macomb with our "Jain Session" march, didn't we? We made a hit—at least they clapped when we went by. It was certainly a thrill to play in a combined band of two

thousand. Even though our bus wasn't exactly a limousine, we had a great time.

Some of us were fortunate to have the experiences of playing at the N. C. I. C. Music Festival held in Sterling.

The morning was spent rehearsing for the evening performance. After being served our lunch in the school cafeteria, we had a short period of practice in the afternoon, followed by a dance attended by both the chorus and band. Rehearsals were "almost" as much of a thrill as playing, combined with other students in the Conference, in the final concert. We enjoyed the experience of playing under the direction of Dr. Alvin Edgar, head of the music department at Iowa State.

SCHOOL BAND

saved the day when they carried us through those frigid football games. We have to give them credit for digging out their red flannels and ear muffs just to keep our spirit up.

A great deal of credit went to our German band for entertaining the crowd at the basketball games. They practiced one night a week, and were strictly on their own at the games.

One of the most outstanding events this year was the purchasing of new uniforms. We are very grateful to the donors for these uniforms. We will try to demonstrate the worth of this gift by participating one hundred per cent in all band activities.

Once again the strains of "Winter Wonderland" come back to us, and we see ourselves down at the depot greeting Santa Claus as he comes off

the train. Oh, sure it was cold, but fun too. We might not have looked to much like a band, but we seemed to have helped set the holiday spirit. That's what counted.

We could hardly wait to model our new uniforms in the April concert. When the time came, Mr. Stamm led us through successfully. "Thank you, Mr. Stamm, for being so patient with us during the weeks of practice."

Then before we knew it, it was time for the Memorial Day Parade—the Seniors' last march. Didn't we look flashy in our new gold spats?

The time came to bid our "Senior" members, Farewell! It will seem strange not having them us, as we perform our little tasks. We'll try to carry on, so they will be proud of their band, to which they contributed greatly.

SEXTETS AND QUARTETS

THROUGH THESE halls rang a harmony of five musical groups. Each group had the joy of singing together as well as entertaining at church and civic organizations. This wonderful opportunity comes to the students of Princeton High School through our friend and director, Miss Donnabelle Fry.

The Fiddlestix were the oldest musical group in Princeton High School at that time. The members were as follows: Gwendolyn Marks, Carolyn Anderson, Shirley Spencer, Sarah Jolley, Phyllis Comba and Ann Walker. This ensemble has sung in every chorus concert for the last four years. This group has also sung at class plays and at Christmas concerts.

The Keydets are a boys' senior quartet. The members were as follows: Herbert Schmidt, Stanley Peterson, Joel Harris and Gregory Saxum. The ensemble made their debut at the Senior Class

Play in their junior year. Since then, they have sung at class plays and chorus concerts.

The Junior and Sophomore Sextet began work this year. The members were as follows: Frances Starr, Dianne Rosenquist, Hazel Conkling, Andora Hedenschoug, Jane Finn, and Phyllis Gleason.

The Freshman Sextet also began work this year. The members were as follows: Sandra Wigal, Nancy Sutcliffe, Marilyn Newcomer, Kay Conner, Kathryn Busker, and Carol Cathcart.

The Triple Trio started their work this year with members as follows: Mary Lynne Stamm, Cheryl Ellberg, Dianne Coddington, Karen Spencer, Sharon Beams, Patricia Oloffson, Roberta Glenn, Frances Gapinski and Mariana Gleason.

There is a good deal of talent wrapped up in all of these groups.

SECOND ROW: Wava Burrows, Hazel Conkling, Mary Ellen Tonkinson, Elaine Nelson, Donald Faley, Theodore Molen, Theodore Johnson, Davis Nelson, Stephen Skinner, Herbert Schmidt, Mary Huey, Carol Swanson, Ethel Krager, Miss Donabelle Fry. EVEN THOUGH the boys and girls have separate choruses, the majority of our activities were with the mixed group.

In June, 1952, the chorus held its annual brunch at the home of Sarah Jolley. At that time, the officers for the past year were elected: girls' chorus—President Shirley Spencer; Vice President Lois Nickel; Secretary Frances Starr; Treasurer Ethel Krager; boys' chorus—President Stan Peterson; Vice President Joel Harris; Secretary Joe Mercer; Treasurer Tom Tompson. Our director was Miss Donabelle Fry.

The first outstanding event was the North Central Music Festival to which we were able to send thirty people from our chorus, chiefly seniors.

Next on the agenda was our Christmas Candlelight Concert on December 23. It was presented by the entire choral department and had a fitting background of Gothic arch and poinsettias.

Immediately following the Christmas holidays, intensive work was begun on the spring concert, broken only by the boys' going to Dixon and Geneseo for exchange assemblies. Also the chorus participated in the dedicatory service for Mr. Shaffer.

The theme of the spring concert was a musical kaleidoscope telling of an artist, who in song recreated the many girls he has painted and his accompanying moods, culminating in his final choice. Because of the huge success of our concerts in previous years, the performance was held two nights to accommodate the audience.

In contrast to the popular songs of the spring concert, the most serious work of the year is our contribution to the Baccalaureate and Commencement services for our seniors, of whom twenty-one are members of chorus.

TEACHER FOR A DAY

FIRST ROW: Inez Freeburg, Helen Wertz, Grace Gealow, Lois Nickel, Bob Kemper, Gwen Marks, Ann Walker, Carolyn Anderson, Nancy Erickson, Lora Bird, Nina Allen. SECOND ROW: Miss Ashdown, Donnabelle Fishel, Rosemary Bartman, Sarah Jolley, Shirley Spenser, Dick Dant, Jeanna Nix, Stan Peterson, Ronnie Ellberg, Ray Marmaro, Lyle Lund, Don Jardine, Don Sankey, Greg Saxum, Charlotte Swanson, Joyce Elliott, Marcine Wilkins, Alma Dall. THIRD ROW: Jeannette Wedding, Mary Lou Ott, Joel Harris, Dick Nelson, Bill Johnson, Chuck Larson, Jay Mitchell, Bob Peterson, Herb Schmidt, John Killiam, Max Thompson, Jean Berglund, Adabelle Tonkinson, Ethel Krager.

THE TEACHER-FOR-A-DAY program has been held every year for the last seven years. This year it was held on Wednesday, October 22. On this one day the Seniors, those who wish to, teach all of the classes. The teachers remain in the rooms, but the Seniors have charge of the classes and do all the teaching.

The principal and all faculty members have Seniors taking their places, and also the positions held by custodians, the office staff, and the cafeteria staff are filled by Seniors.

At noon the Teachers-for-a-Day sit at the teachers' table in the cafeteria and have the privilege of going first in the cafeteria line which is a highlight of the day. The faculty then take places at the end of the line. Also all student teachers dress up on this day with the boys wearing suits

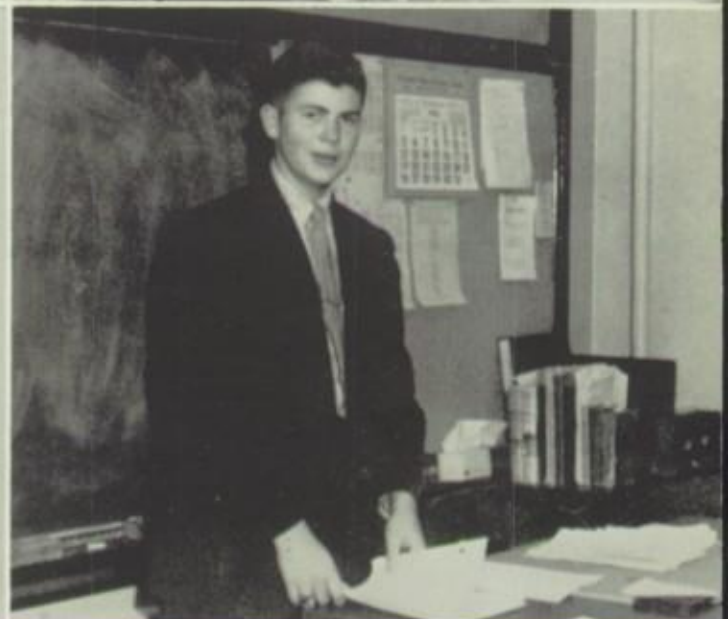

and ties and the girls wearing dresses or suits with accessories.

The National Honor Society sponsors this program. Seniors sign up for the class they would like to teach, and the N. H. S. assigns them. Miss Ashdown is the adviser for this worthwhile organization.

This program has a great value because those who are interested in teaching get first-hand experience, and it gives others an idea of the great responsibility of the Princeton High faculty.

The underclassmen look forward to this day every year and give a very good response to it. This helps the day to run smoothly and surprisingly like an ordinary day at school except that it carries an excited and important atmosphere.

Everyone enjoyed this day very much, and it was a big success!

TOP ROW: Mr. John Killam, Mr. Don Jardine, Mr. Stan Peterson, and Mr. Greg Saxum. THIRD ROW: Miss Jeanna Nix, Mr. Bill Johnson, Mr. Bob Peterson. THE PEP CLUB had as its major project sponsorship of the Homecoming dance. Many hours were spent gathering autumn leaves for colorful decorations in the gymnasium. A corn stalk tepee surrounded by pumpkins was in the center of the gymnasium providing a simple yet attractive touch.

The homecoming queen and her escort led the opening grand march. The students and alumni danced until midnight to the music of Roger Smith.

The Pep club was instrumental in organizing the pre-game snake dance which zigzagged uptown for a pep rally and back to the school for the traditional fire and cheers.

Proceeds from the homecoming dance were used to buy uniforms for the sophomore cheerleaders. Miss Barbara Wright is faculty adviser for Pep club.

G. A. A.

THE GIRLS ATHLETIC Association held their first meeting on September 10 in the Biology room for the purpose of organizing the club under the leadership of the officers who were elected last May. They are president, Marcine Wilkins; vice president, Sarah Jolley; secretary, Andora Hedenschoug; and treasurer, Ann Walker. Miss Barbara Wright is faculty adviser.

Later meetings were held for the purpose of making plans for the annual initiation of new members. These plans were further formulated at a picnic held in the City-County Park. This picnic was a big success and was enjoyed by all who attended.

This year we have had the activity period to

use for our meetings. This was a great help since we could have our meetings and use the gym without other activities interfering.

Several times during the year our members went to several G. A. A. play days in neighboring towns. Here the girls met for lots of all-round fun.

In the middle of February, the G. A. A. girls sponsored a St. Valentine leap year dance which was very successful.

At the close of the school year, the G. A. A. banquet was held. Here the mothers and girls talk over all the activities they have had during the year. The banquet was enjoyed by all and was the perfect event to finish a year of successful G. A. A. activities.

F. H. A.

"FHA TRAVELS ON" was the theme our chapter used during the 1952-53 school year.

"Engineers" were Catherine Sievert, president; Lois Nickel, vice president; Rita Vickrey, secretary; and Rose Mary Bartman, treasurer. "Conductors" were Miss Malsbury and Miss Kirkpatrick.

Before boarding the train in "September," the chapter had a weiner roast. Mrs. Roy Freeberg and Mrs. Roger Piper were two new passengers who came aboard, as chapter mothers.

We stopped in "October" for the House of Delegates meeting, where Catherine Sievert was elected section secretary.

The "November" passengers celebrated National F. H. A. Week, sponsored a movie, and chose secret pals.

The signal was given for a skating party in "December," and the younger children at the Children's Home came aboard for a Christmas party. We also gave a needy family a lift.

Formal Initiation was scheduled in "January," and we unloaded in "February" for a bake sale and found the "Baggage Car" busy with the check room at all the home games in "November, December, January, and February." We stopped over in "March" for an Alumnae banquet and a skating party.

Back on schedule in "April," everyone got together for a secret pal birthday party. Arriving on time in "May," we brought the journey to an end by having a Mother-Daughter banquet, where a style show was given, awards were presented, and new officers were installed for next year.

THERE STAND the Future Farmers of America. They are members of the most progressive organization in the high school. The activities enjoyable, from winning a two-week vacation in Minnesota, to hunting pests in farmers' barns.

The officers of this smooth-running money-making machine are, Charles Larson, president; Philip Naffziger, vice president; Wayne Boehle, secretary; David Schindel, treasurer; John Larson, reporter; Dick Mark, sentinel.

In order to do a better job of running the local chapter, the officers attended a leadership training camp near Rock Island, Illinois, in September. Later on in October, the officers attended the National Convention at Kansas City, a trip that will long be remembered by them.

THE LANGUAGE CLUB is made up of students who are taking Spanish and French. The club's main purpose is to acquaint the students with the customs of the people who live in French and Spanish speaking countries.

We started out our year by having an initiation party for the new members. It consisted of an exciting scavenger hunt which preceded a weiner roast at Tom Thompson's.

The club celebrated Christmas with a potluck supper at Dorothy Chamber's. After the supper, we raised a pinata. If you don't know what a pinata is, it is a breakable container filled with candy, nuts, etc., and is hung from the ceiling. A person is blindfolded and then proceeds to try and

break the container. When he succeeds, the goodies fall and everyone dives for whatever he can get. Later we sang Spanish and French Christmas carols which we learned in class.

Of course, intermingled with all the parties, we had our business meetings. At these meetings, after the business at hand was taken care of, we would sometimes have French or Spanish movies, or learn a dance which originated in either of these countries. We also held round-table discussions about the governments in countries which speak Spanish or French.

We feel that we have made progress toward fostering a better relationship with these two countries. Our faculty adviser is Miss Kathryn Bean.

YOU HAVEN'T happened to see a rather dazed person wandering aimlessly around the halls of dear old P. H. S., muttering unintelligible words to himself, have you? If so, you've seen one of Miss Graham's Latin students probably trying to figure out a passive periphrastic construction complicated by a dative of agent and the subjunctive mood. Of course, Latin wasn't always that hard, and it was made a lot more enjoyable by the fun we had in our Latin club, which met twice a month. During the meetings we would learn interesting facts about the people or events we were studying at the time or read our Latin newspaper, "Res Gestae," that we had subscribed to. The most

popular part of our newspaper was the crossword puzzle section which had to be done, naturally, in Latin. To make solving the puzzle more exciting, the boys would race the girls to see who could get it completed correctly first. Usually the contest would end in a tie.

During the year we had several parties. One, a Twelfth Night party, was held at the home of Miss Graham. We had a regular feast and loads of fun, besides. Another party, in honor of Saint Patrick's day, was held at Jane Finn's home. After filling ourselves up with french fries and barbecues, we sang songs, played games, and watched television.

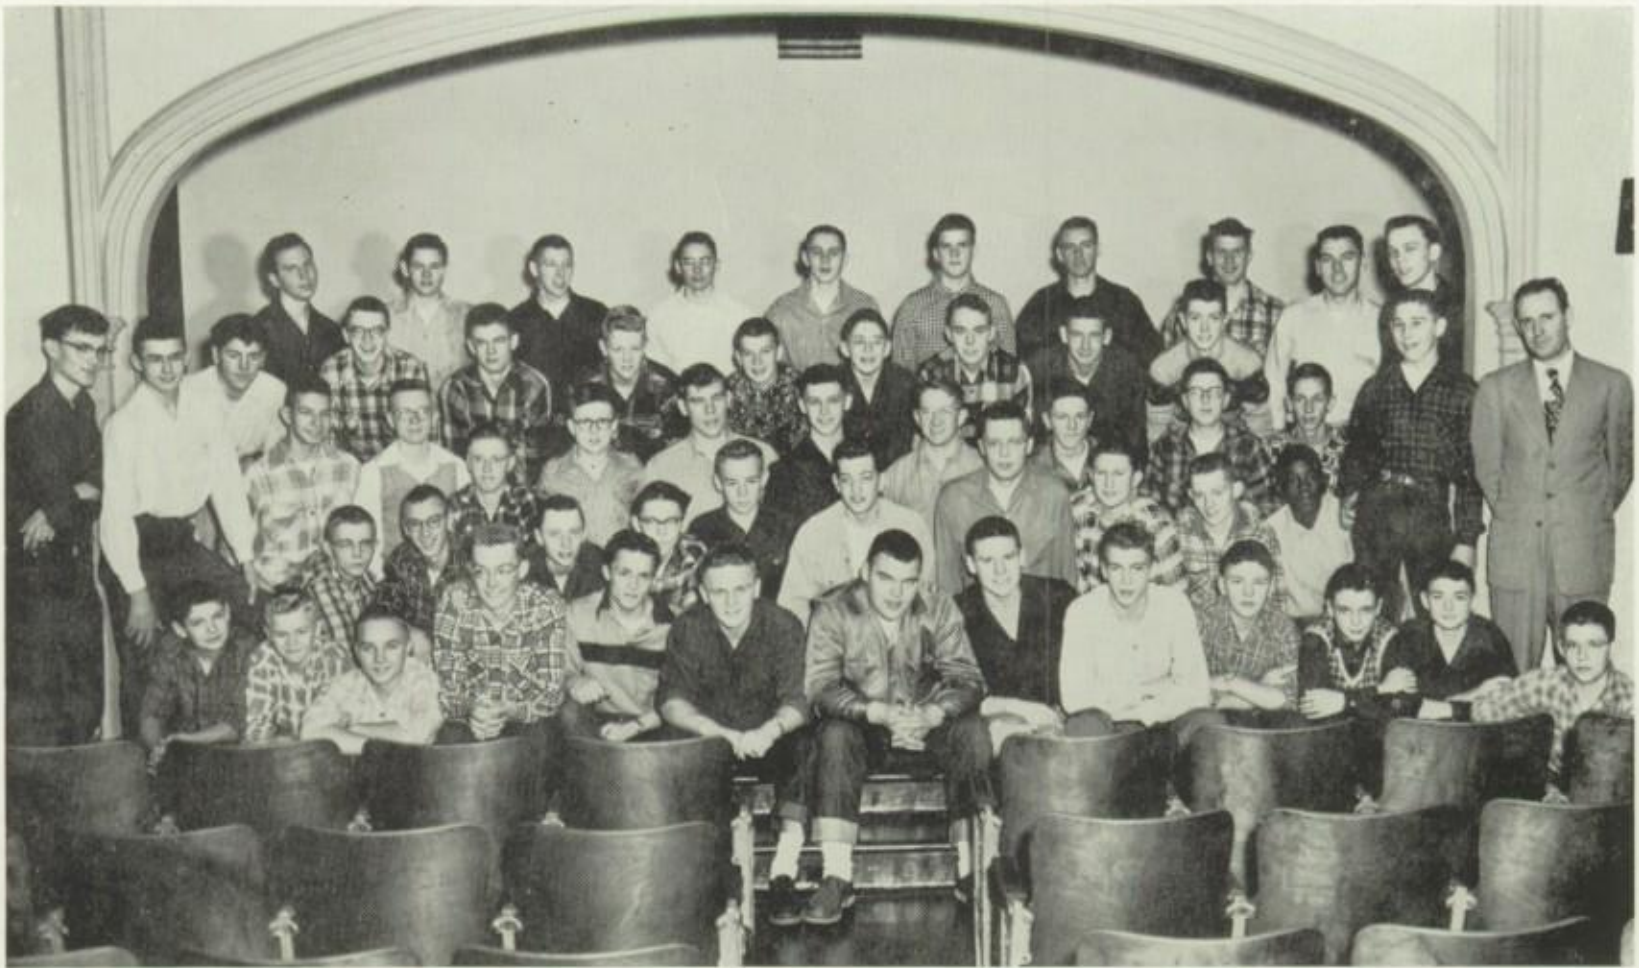

Our Latin club is a member of the Junior Classical League, an organization which awards a medal annually to the student or students who maintain an "A" average for two years.

The climax of the year was the trip our Latin club took with the art class to see the Natural History Museum and the Art Institute in Chicago. During this trip, which our Latin club takes annually, we saw everything from famous paintings to mummies.

UNDER THE very fine and inspirational leadership of Mrs. Walter, the Art club spent its academic year studying what lies behind the painted picture. Both the elementary and more complex information needed to understand and really appreciate art in all its various forms were the goals of our work.

To any one who thinks that art is a "snap" course—that all you have to do is draw what you want when you want to—let us quickly assure him that he is on the wrong track. In many ways, art is like any other course. You are provided with the information and help you need to understand the problems in the subject, and you are taught the special skills you need to obtain the effect you desire. But, as in other courses, the burden is upon you to absorb the information and to put it into practice.

But art is something more than just a subject that requires special study and preparation. It demands that one delve into the innermost parts of the artist's soul. What the artist puts down on

paper or canvas is always determined in large measure by the way he feels. Like the poet and prose writer in the field of literature, each artist has his own individual style. In the media of art the artist expresses himself in a manner similar to the way the poet puts into words what he feels inside himself.

Even though one may not have the talent, or the experience, needed to become a professional artist, through the study of art one can learn how to interpret and appreciate paintings and thus open up a world of beauty to himself.

Since the Art club meets in the home of Mrs. Walter, the atmosphere is quite different from that of the ordinary classroom. More informality is possible, and the students may exchange information and joke about their work — so long, of course, as they don't interfere with progress on their own work or that of others. And the witty remarks of Mrs. Walter, along with her ever-ready willingness to help, make for good feelings and a change from the more routine activities of the day.

THESPIANS is a dramatic club that sponsors one-act plays and readings. This year several one-act plays were given. Among them were "New School For Wives," "Will'o' the Wisp," and "The Happy Journey," which was taken to the Sectional Contest of our conference.

There were originally three members from last year, but during the season twenty were initiated. Ten points are needed to become a Thespian. They may be obtained in several ways: by having a part in a one-act play, three act play, or a monologue; or by being on a committee for a play.

A Dramatics Night was held during March, and three one-act plays were given. They were all a success. Mrs. Sloan is the sponsor and director of this club.

UNDERSTUDIES was a group of students interested in dramatics, who have not acquired the required ten points to become Thespians. There were twenty-five in this group. Joe Mercer was president, Pat McDonald vice president, and Julie Cassidy secretary. Our supervisor was Mrs. Sloan.

Our first attempt at "playacting" was "Will o' Wisp," a one-act mystery. It was given as an assembly for the student body on November 21. Shall we say any more? The second attempt was a comedy, "Sparkin'," Friday evening, March 6. These groups were known as "Thespians Three."

Another ad-lib of our group was reading through plays, and acting them out during meetings. This was to see if we came across any we wanted to put on. "Sparkin'" was obtained this way.

"BEST FOOT FORWARD" opens with two Winssocki Prep boys, Dutch and Hunk, trying to make their dormitory look more feminine for "quail" and the dance "tonite." When the boys find out Bud has a date with two girls, they generously offer to help him as they learn one of the girls is the movie star, Gale Joy. At the dance we find all of Winssocki's males catering to Miss Joy.

Naturally the other females won't stand for this. The Blind Date incites a riot and is followed by Helen, Ethel, and Minerva to collect "souvenirs" from Miss Joy.

But girl trouble isn't the only trouble the boys have when Dr. Reeber finds out about the riot. He is ready to punish the students, but everyone convinces him (by drastic measure) that all is fine, which happily ends this wonderful comedy.

The unique direction of Mrs. Sloan and our student director, Robert Kemper, and the wonderful abilities of the cast and production staff, made it positive that this play will long be remembered by all who saw it.

THIS YEARBOOK is a result of our time, effort, and money. We hope it will bring as much pleasure to its readers as it did to its originators.

Our co-editors were Ann Walker and Bob Kemper. It was their duty to see that the staff had their work done correctly.

The activities editor, Gwen Marks, and her staff, Nina Allen, Jean Berglund, and Sarah Jolley, gathered the material for all clubs and activities in the high school.

All sports pictures and write-ups were taken care of by the sports editor, Lyle Lund, and his staff, Max Thompson, Virden Sapp, and Richard Berglund.

Carolyn Anderson, classes editor, and her staff were responsible for placing names under all class pictures in the annual. Lois Nickel and Herb Schmidt did all naming of seniors, and Adabelle Tonkinson and Charlotte Swanson did all naming of the underclassmen.

Adabelle Tonkinson and Charlotte Swanson

also served as utility personnel, working wherever they were needed.

The snapshot editor, Joyce Elliott, and the Snapshot staff, Jeanna Nix and Nancy Erickson, collected all snapshots and baby pictures for the annual.

The calendar of events throughout the year was handled by Phyllis Comba.

All art work was done by Mary Lou Ott, Joe Mercer, and Jeanette Wedding.

Joel Harris and John Killam were photographers for the annual.

The business staff, Nancy Erickson, Bob Peterson, Stanley Peterson, Don Jardine, Chuck Larson, and Dick Nelson, were in charge of soliciting and paying all bills.

All typing was done by Lois Nickel, Kenneth Boussein, Max Thompson, and Virden Sapp.

The staff wishes to thank Miss Genevieve Ashdown, our business adviser, and Mr. Joseph L. Kenny, our editorial adviser, for their time and patience in helping us publish our annual.

WEEKLY TIGER STAFF

"HEY, YOU KIDS, simmer down! I've got something to say!"

"When haven't you?"

"Nuff said. I want your copy in by Thursday night, typed."

This was the regular routine every Monday morning during the year. The Weekly Tiger had quite a few changes in staff this year. Tom Thompson and Julie Cassidy were the head couple (editors, that is) during the first semester, and Jean Wilson and Dick Small topped the list the second semester. There was also the change at the semester, and that was the change of Miss Bean to adviser for Mr. Kenney, who was devoting his time to the Annual.

The copy usually got to THE REPUBLICAN office on time, but when the absent-minded editor forgot it, our patient, long suffering adviser, Miss Bean, hiked it up.

The meetings, held every Monday, were usually pretty peppy. Mary Morrison and Pat McDonald, with assistance from Barb Simon, were always trying to get the Pick-n-Up written with the whole

staff kibitzing. Then there were Tom Thompson, Julie Cassidy, Marilyn Crane, and Pat Yepsen writing the witty features every week. Doreen Conant added a musical note to things with articles about chorus and band.

Then there was Russ Bouxsein, who smuggled a sports article in once in a while, and we can't forget Sue "Old Faithful" Smith, who took care of our scrapbook. Not to be forgotten are Marina Champley, Norma Nelson, Margaret Naborowski, Dorothy Chambers, and Julie Wilson, who did all kinds of odd jobs from typing to writing girls' intramurals.

The Tiger Staff wishes to express its appreciation to THE REPUBLICAN Office for its help in putting out the paper. We also wish to thank our advisers, Mr. Kenney and Miss Bean, for the wonderful help and co-operation that they gave us. We were pretty much of a trial to them sometimes, what with keeping them on pins and needles as to whether we'd get our copy in on time.

So I guess that about covers "our big, happy family" which struggled through a year's hard work of putting out "The Weekly Tiger."

NATIONAL HONOR SOCIETY

SEVEN SENIORS and four juniors were elected to the National Honor Society in an impressive candlelight ceremony which took place in the high school auditorium on February 10. The ceremony was performed by the four seniors who were elected to the society in 1952. Mr. Holt, the principal, administered the oath, and Mrs. Dexter Nelson, a former member, presented the pins to the members. The parents of the members were secretly invited to attend the ceremony and stay for dinner in the cafeteria.

In order to be eligible for membership in the National Honor Society, a student must be in the upper third of his class. Points taken into consideration when voting for a candidate for membership are Character, Leadership, Scholarship, and Service. Both students and faculty vote on the new members.

This year the National Honor Society sponsored two major programs. These were: Teacher

for a Day," in which the seniors took charge of classes, cafeteria, and janitor work for one day; and the "Meet Your High School Day," in which the eighth grade students visited the high school. They were taken on a tour of the high school by members of the National Honor Society in the morning. In the afternoon, the students either returned to their own schools or stayed and visited classes in the high school.

This year, for the first time, the National Honor Society undertook the project of making a school handbook. This handbook was written by the members of the society and published by the school board. Hereafter, the handbook will be given to freshmen entering high school and new students.

The National Honor Society is the highest organization to which a student may be elected. It is a club whose ideals are to improve our school. The club is assisted in whatever it undertakes by their very able adviser, Miss Genevieve Ashdown.

CADET TEACHERS

FOR THE THIRD year in succession, the cadet teaching program was successfully carried out in 1953. This year nine girls participated in the program set up by Mr. Holt and Mr. Bone. This gave them an opportunity to go into the classroom, work with the children, and see if they were interested in teaching as a possible vocation.

After a discussion period with Mr. Bone and Mr. Holt, the girls were assigned to their classes. Let's go with them now into their various classes and get a birdseye view of what's going on.

There goes Ethel Krager into the second grade room at Logan. She's going to read them a story. Oh, oh, trouble! Here's a word she knows they won't recognize. Maybe one of them will, so she is asking them now. No—on one knows, so she's going to explain it to them. What's this—well, what do you know? She forgot what it was herself! Good thing Miss Baxter was around.

Let's look in on Ann Walker. She's down at Douglas under Miss Nelson. Good! We're just in time for recess, and Ann's going out with them. Hey, Ann, watch out for those snowballs. Too late now—she's being attacked from all sides. Seems as though the fifth grade thought she was a new sixth grader, and they were waging war.

Now let's visit Mary Lou Ott as she makes her rounds as assisting art teacher. She's at Logan in the fifth and sixth grade room. There's a tank in the room full of toads, and I see mischief brewing. Here it comes! One little fellow has one in his hand and is sticking it under her nose. Famous last words: "See what I've got!"

Every day presents something new and different when you're living the life of a cadet teacher.

MIDDLE ROW: Rita Vickrey, Lucille Gapinski, Jean Wilson, Carole Birkey, Wava Burrows, Julie Cassidy, Pat Yepsen, Marilyn Crane, Donna Tinsley, Nancy Bruce, Catherine Sievert, Barbara Simon, John Welsh, Mrs. Sloan.

ON THE evening of May 8, nineteen nervous juniors were eagerly, and fearfully, awaiting the rising of the curtain on Act I of "Our Miss Brooks." The cast had rehearsed diligently, the crew had worked faithfully, and now the night had arrived when their efforts would be crowned.

"Our Miss Brooks" is a typical story of the high school English teacher and her difficulties in presenting a school play. Her main difficulty is that she wants to be friends with the coach, but when she takes his star athlete to be her leading man, the friendship seems about to stop.

But to the cast and crew, right now, Miss Brooks wasn't the only person that was having troubles. The make-up director, Robin Thompson, was trying to carefully apply the last touches of make-up. The stage manager, Dick Small, was hastily checking the props, while the properties chairman, Jean Wilson, was checking the properties.

The cast was almost certain they would forget their lines when Mrs. Sloan, the one calm and confident person among them, and the person who certainly deserves credit for making the play a success, approached the group and quietly announced, "Places everyone! Curtain going up!"

CHEERLEADERS

EARLY THIS FALL fourteen girls tried out as cheerleaders for the coming year. The student body selected six girls, who were: Inez Freeburg, Dorothy Dalton, Alice Landrus, Pat Bohm, Sharon Whitten, and Lois Bomleny. Dorothy moved away so Barbara Simon, having received next highest of votes, took her place. The girls introduced new cheers and motions. They were advised by Miss Barbara Wright and had a very successful year.

MOVIE PROJECTIONISTS

THESE FELLOWS DO a good job of showing pictures to various classes on various subjects. They say there's a fifty-fifty chance of getting the projector working, let alone having both sound and picture work together. If there is any trouble, Mr. McKinty, who's in charge of the film handling, comes and fixes it. This is an educational job for the fellows, since they learn how to run the projector and also see the film.

RED CROSS ATTENDANTS

THE RED CROSS room attendants must know something about first aid. They are a group of girls who take care of anyone who does not feel well or has an injury. Persons admitted to the Red Cross room must have a regulation permit, and students are not allowed to congregate there. The attendant is able to use this period as a study hall. Miss Hensel, the school nurse, is in charge of the girls.

CAFETERIA WORKERS

THE CAFETERIA WORKERS all had assigned jobs. Dick Dant mashed potatoes, Catherine Sievert buttered bread, Helena Wertz cleaned the table, Rose Mary Bartmen counted lunches, Grace Gealow handled milk and dipped ice cream, and Judy Olin washed dishes. They did these jobs very well and always had smiles on their faces.

THE VARSITY CLUB is one of the few all-male organizations at P. H. S. It is a relatively inactive group in that it elects no officers and holds no meetings during the year. Its primary purpose, of course, is to reward students for participation in athletics.

To become a member of the Varsity Club the individual must earn a major letter in at least one of the following sports: football, basketball, baseball, or track.

THE NATIONAL Athletic Scholarship Society is one of a few all-male organizations at P. H. S. It doesn't hold any meetings or elect any officers, and it sponsors no activities, but it is an honor group that recognizes scholastic achievement among athletes.

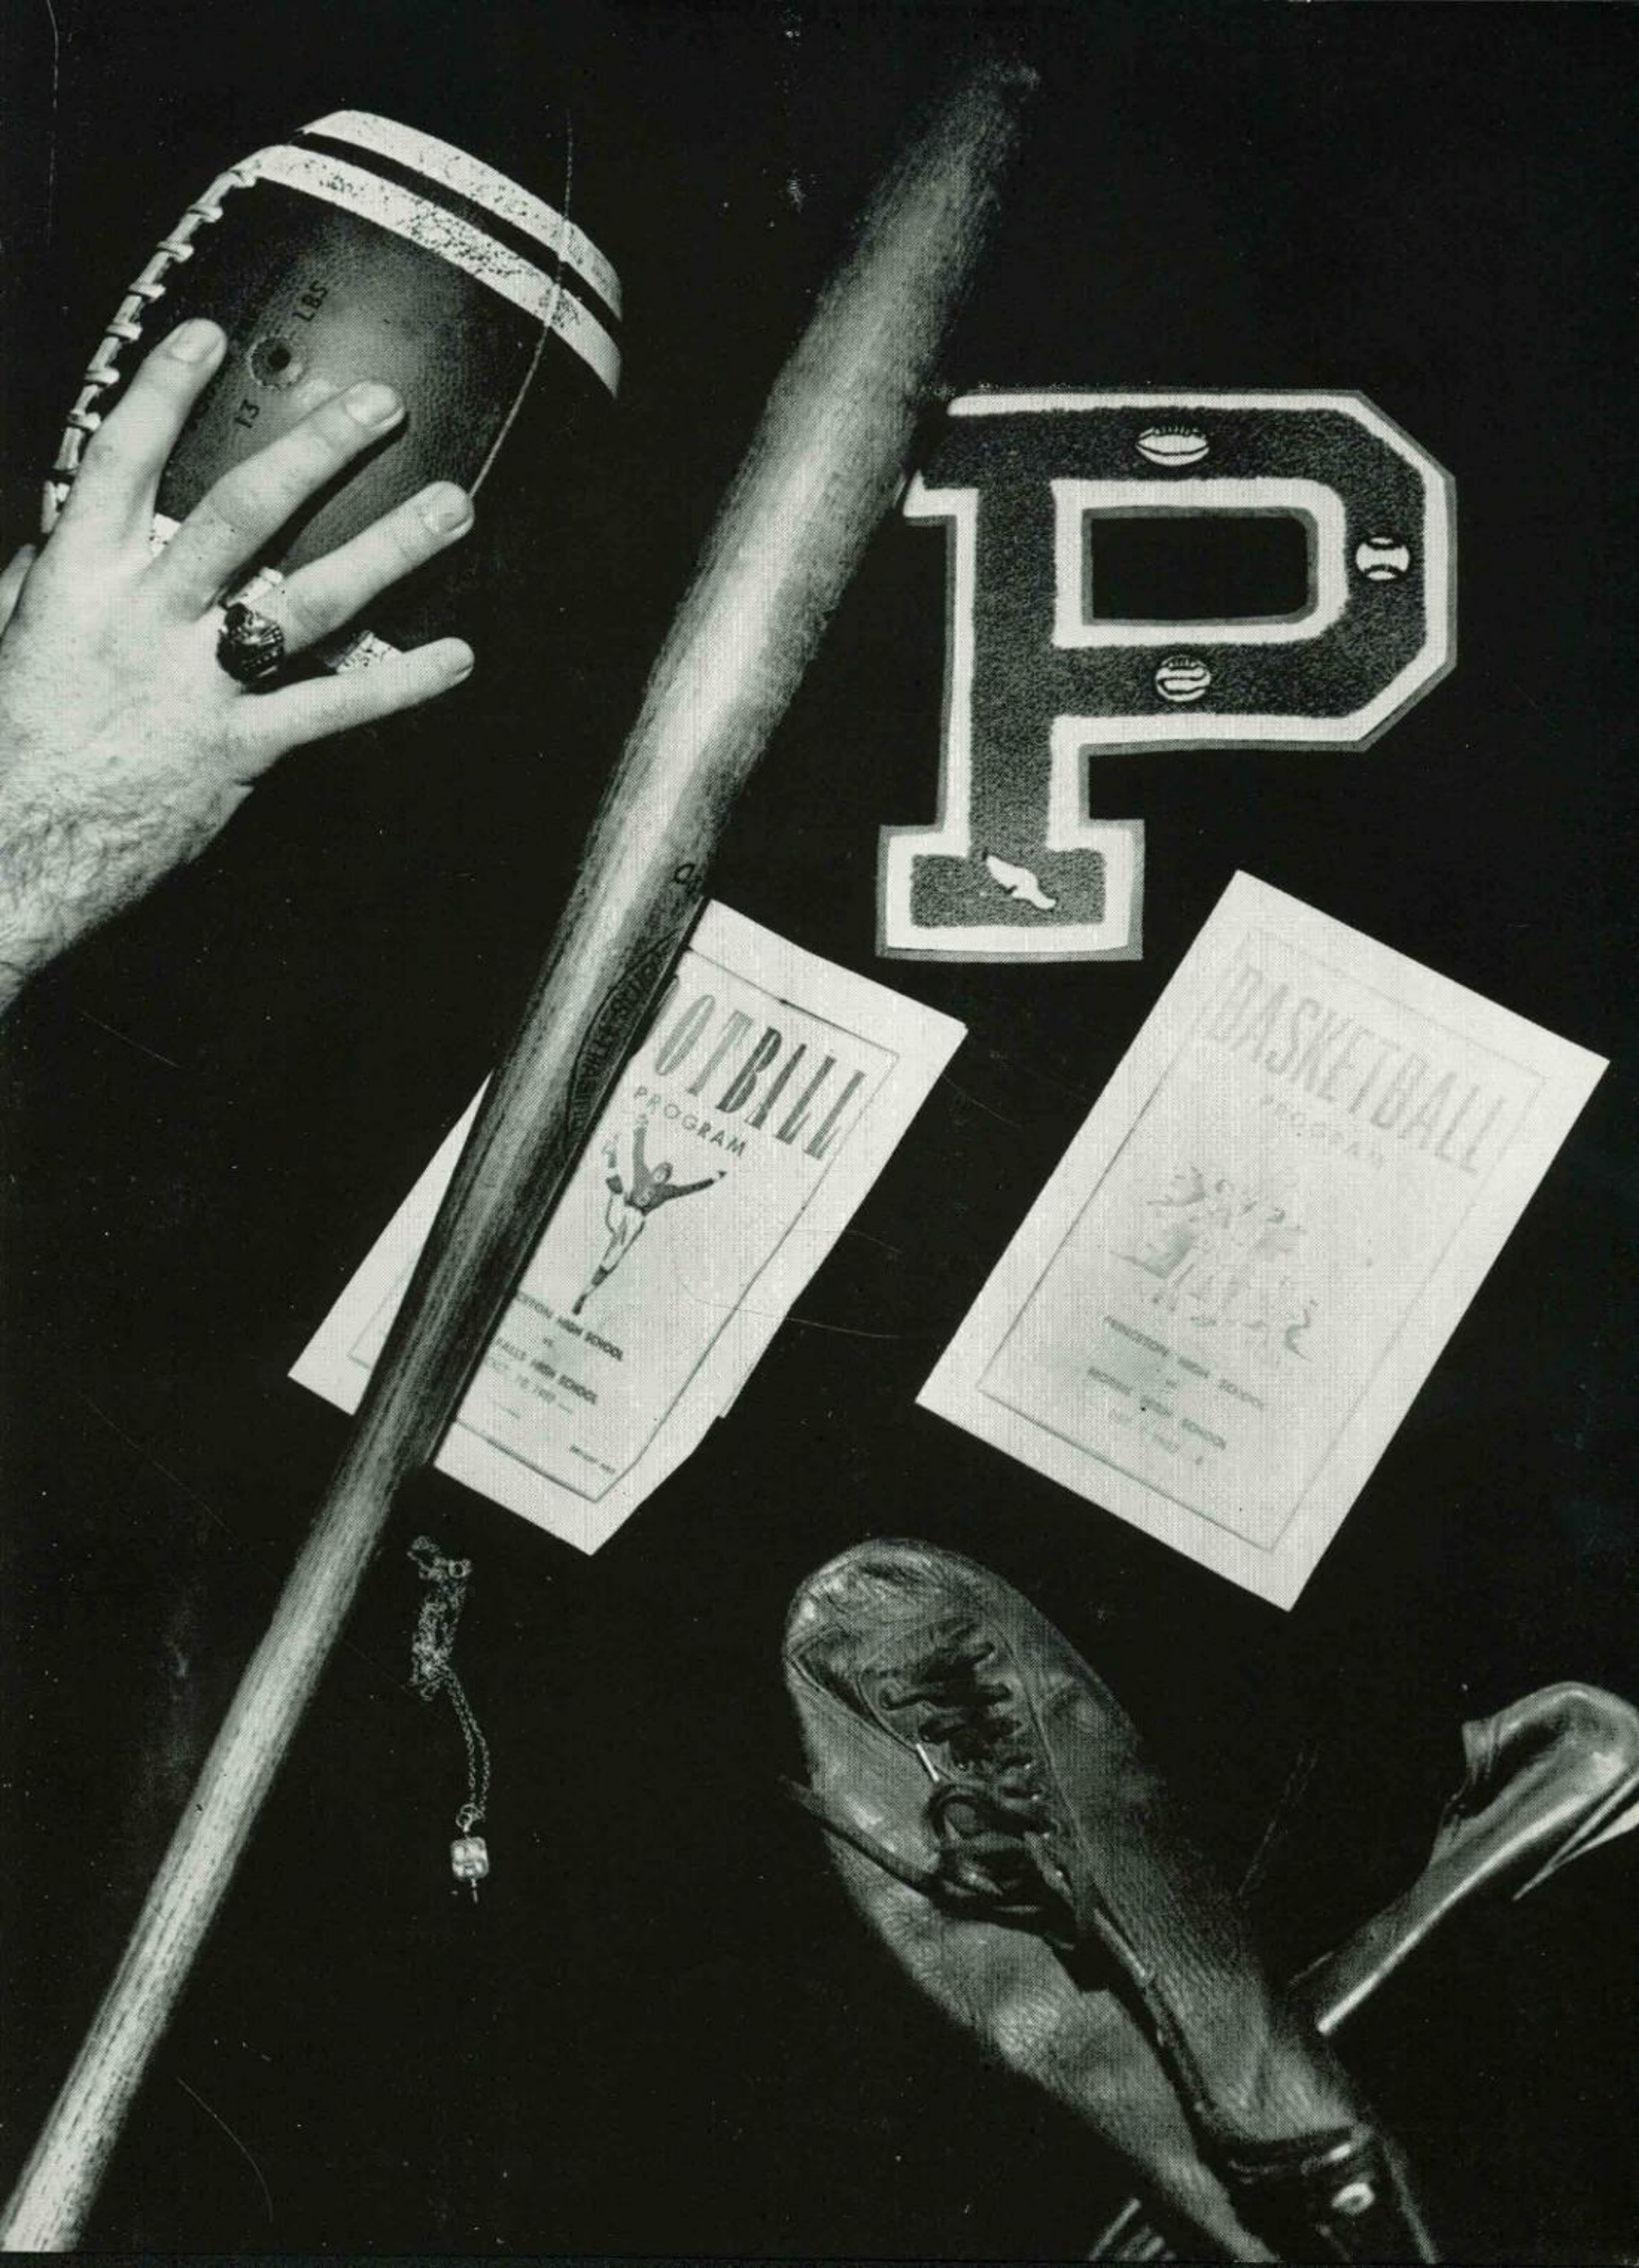

To become a member of the National Athletic Scholarship Society, a person must earn a major letter in one of the following sports: football, basketball, baseball, or track. In addition, the member's scholastic average must be above the average of his class.

MR. W. C. OTT

MR. DON MAECHTLE

Head football coach, freshman basketball coach.

MR. DON SHEFFER

THE VARSITY had first chance to meet their new football coach, Mr. Don Maechtle, during the first days of practice. Mr. Maechtle came to Princeton after two years as head football coach at Earlville followed by a year of coaching at Bay City, Mich. Mr. Maechtle graduated from the University of Illinois where he had played on the Rose Bowl team of 1947 and had done the place kicking for the Illini during his junior and senior years. Mr. Maechtle comes to Princeton with a coaching record of 11 wins and 7 losses. Along with his duties as head football coach, freshman basketball coach, and golf mentor, Mr. Maechtle also teaches biology and general science.

In his second full year at Princeton is Mr. Jesse Durham. Mr. Durham assists Mr. Maechtle with the varsity football squad and also acts as sophomore basketball coach. Along with these

chores, Mr. Durham is also assistant track coach and during the previous year was the baseball mentor at Princeton.

Mr. William Ott is a familiar figure to all students at Princeton. Mr. Ott has been at Princeton for 6 years and in this time has coached or been assistant coach in nearly every minor and major sport at the high school. Mr. Ott now acts as varsity track coach and lends a hand to Mr. Sheffer with the fresh-soph football squad. Mr. Ott is also cross-country coach.

With the departure of Mr. Paul Fry, Mr. Don Sheffer was appointed head athletic director. To Mr. Sheffer's other duties this adds the handling of the Physical Education classes and the running of the athletic department. Mr. Sheffer is Princeton's varsity basketball coach and acts as assistant coach in track and as frosh-soph coach in football.

AFTER TWO hard weeks of practice under a new football coach, the Tigers journeyed to Walnut, not quite knowing what to expect from the Blue Raiders. The first half was really close with both teams playing good ball, and ended with Walnut holding a 7 to 0 lead. After that it was all Walnut. The Raiders scored three rapid touchdowns in the third and fourth quarters to clinch a 26-0 win from the Tigers.

Licking their wounds, the Tigers worked harder in practice the next week and vowed to get revenge. They found their next opponent to be Polo, a team new to Princeton in football. Again the Tigers didn't know what to expect but went on the field determined to play good football. From the first, it was evident that Princeton had a top-notch running team. In the first quarter the Tigers took the ball on their own 41 yard line and with Ray Marmaro carrying the ball twice, were knocking on the door at Polo's 6-yard line. Ray carried the ball right to the goal line, but Ronnie Ellberg fell on it for the Tigers' first touchdown of the season. Princeton was then on

its way. They scored in every quarter and won by a 26 to 7 score.

The next Friday the Tigers were pitted against their first conference foe, Rochelle. Princeton took the kickoff to the Rochelle 14 but lost it on downs and were unable to get under way again until late in the second quarter. By this time Rochelle had piled up thirteen points, and it looked as if Princeton was going to lose its first conference game. But late in the second quarter Bob Hildebrand gambled on a pass on fourth down. It clicked to John Gleason for 45 yards and a touchdown. In the second half the Tigers roared back and, due to some sterling line play and long runs by Marmaro and Gleason, wrapped up a conference win by the score of 19 to 13.

Princeton took the field on October 5 against a team that they hadn't beaten since 1919—Hall Township. But that night the jinx was broken as the Tigers shut out the Red Devils 13 to 0. Princeton played outstanding defensive football as they held Hall to 72 yards on the ground and didn't allow the Red Devils to score. The Tigers first

scored in the closing minutes of the first quarter with Dick Dant pushing across from the one-yard line after a march of 51 yards. From that time on the game was played mostly about the 50 yard line until, with two minutes, twenty-six seconds left in the game, John Gleason intercepted a Hall pass and went 35 yards for the final tally. Dick Dant made the extra point on a plunge.

Princeton, after 33 fruitless years, had finally beaten Hall. The ball used in that game appears on the Sport Division page.

Still riding on the crest of their victory over Hall, Princeton took on another conference foe, Rock Falls, the next Friday. The Tigers were never quite able to enter the scoring column, while Rock Falls scored in all but the fourth quarter as they ground out a 20 to 0 win against the Bengals. This made the Tigers conference record one win and one loss.

Snapping back after the Rock Falls game, Princeton traveled to Geneseo to engage the Maple Leaves. This was another conference game, and things looked bad as the Leaves pushed the ball to Princeton's four yard line right after the kickoff. But the Tigers held for four downs, and neither team again made a serious threat until late in the second quarter. After Ray Marmaro had run an intercepted pass to the eleven, John Gleason darted over for the score. The half ended seven to nothing, but after that it was never close. Dant

played terrific football as he contributed two touchdowns on runs of five and 39 yards, while Marmaro and Gleason added one and two touchdowns respectively. Princeton now moved up in the conference with two wins and one loss.

The next week Princeton played the Mendota Trojans on Mendota's home field. Injuries played a significant part in this game as three Princeton backs were sidelined, Dick Dant, Ray Marmaro, and Don Faley. Princeton was unable to get an offense started until late in the game. Then Dick Dant bulled across from the two for the Tigers lone marker of the game. The Trojan squad seemed to have Princeton's weak spot and ran up the largest number of points scored against the Bengals all season. This was the roughest, most penalty-clogged game of the year. The final score was Mendota 33, Princeton 6. This gave Princeton a 2-2 conference record and a tie for second place.

Still on strange grounds, Princeton met Dixon the next week and still seemed to be lacking the scoring punch.

The Dukes jumped to a 14 to 0 first quarter lead, and, although gaining nearly 300 yards on the ground and through the air, Princeton was never quite able to push across the goal line until the fourth quarter when a Bouxsein-to-Gleason pass netted 30 yards and a TD. The Tigers had threatened on several other occasions but lacked the

After three straight games on the road, P'ton returned home to Bryant Field for the final game of the season with the Kewanee Boilermakers. Seniors playing their last game for Princeton in this contest were Lee Brown, Dick Berglund, Jim Berglund, Dick Dant, Ron Ellberg, Bob Hildebrand, Chuck Larson, Ray Marmaro, Joe Mercer, Tedd Mercer, Stan Peterson, Don Sankey, Greg Saxum, Ronnie Sergeant, Max Thompson, and Grant Vickrey.

The Tigers started rolling right away as line-man Ron Sergeant fell on a Kewanee fumble on the Boilermakers' 29. After a penalty, five plays were enough for the Bengals to hit pay dirt. Marmaro scored from the five, Opsal added the PAT, and we led, 7-0. But the Boilermakers struck back and, scored on a long run by Keith Davis. Princeton bounced right back again in the second quarter as they marched for 66 yards and five first downs plus another TD. That ended the first half scoring at Princeton 13, Kewanee 7.

The second half was played on a fairly even basis, but the Boilermakers broke loose for three long runs good for 21 more points. The Tigers picked up their only other tally as center Max

COACH MAECHTLE

Thompson picked up a loose ball on the Kewanee thirty and went the rest of the way untouched. The Tigers were then trailing by a 28 to 20 score, but they were unable to pick up any more tallies. The Boilermakers were mighty glad to leave Bryant Field, for the Tigers had out-played them in every aspect of the game.

THE FRESHMEN-SOPHOMORE football season was not a bright one on the whole since the team lost six while winning only one. But this one victory was a big one for the team.

The season opened on September 22 in Princeton against Marquette of Ottawa. The Kittens showed the fans a good game even though they were on the short end of a 15 to 7 score.

Princeton next traveled to Rochelle to participate in another hard fought game only to lose in the second half 21 to 0.

October 3, the Kittens played their best game and won their first game in over a season.

The Kittens had to work hard to obtain their victory over Hall. All through the first half the teams were locked in a scoreless tie but late in the third quarter Princeton drove down field and tallied just before the buzzer sounded ending the period.

The Kittens had to dig in to hold down a determined Hall effort to tie the score but they held on and won 7 to 0.

This was the point from which the Fresh-Soph started to plummet. The Kittens looked a bit ragged and undermanned at Rock Falls and Geneseo, but the worst was yet to come.

At Mendota the team fell apart and was trampled 49 to 0.

The next week they looked somewhat improved against a strong Dixon eleven.

The freshmen played three games and played well in all of them.

These boys should make a fine team next year. During the season they beat Mendota, tied Geneseo, and lost in the closing minutes to Hall.

The Freshmen, and Sophomore boys learned the fundamentals and picked up much valuable experience under the able and competent coaching of Mr. Don Sheffer and Mr. W. C. Ott.

WITH THREE lettermen from last year and eleven other candidates for Varsity, Princeton journeyed to Kewanee for their first basketball game. The Tigers had plenty of first-game jitters as they dropped this one, 57 to 43. Stan Peterson led Princeton scoring with ten points.

After quite a bit of improvement, the Tigers met St. Bede. With Fred Boher pumping in 20 points, Princeton cruised to a 65 to 59 victory over the Bruins. The Bengals were still hot next week as they beat Walnut 63 to 48. The following week the Tigers continued in their winning ways as they downed Morris 63 to 56. Peterson and Halberg had 13 points each. This game was nip and tuck all the way, with the score knotted at 30 to 30 at halftime.

Friday of that week the Bengals played Ottawa Marquette. Stan Peterson and Gary Christiansen were high with 18 and 14 points. After winning their fifth straight, the Tigers took on the DePue Little Giants. This was a close affair right up until the fourth quarter, when DePue scored 28 points to whip the Tigers. Boher had 17 and Swan

13 for the Tigers. Mendota was Princeton's first conference foe as the two teams clashed at Mendota. Although trailing nearly all the way, the Bengals got hot in the fourth quarter and squeezed by the Trojans 47 to 44. Peterson took scoring honors with 17 points.

During the holiday season, the Tigers entered the Marquette Holiday tournament. In the first game the Bengals overcame an 18-point halftime deficit to win 63 to 58. In this game Dick Swan set three scoring records; most field goals, most individual points in the Marquette gym, and a new tournament scoring record. The following Monday Princeton bowed to Mendota 72 to 56 in the semi-finals. Stan Peterson and Fred Boher led the Tigers with 19 and 18 points respectively.

After the holidays, Princeton was back in action against Rock Falls at the local gym. The Tigers took a three-point halftime lead, but a cold third quarter beat them as the Rockets eked out a 66 to 60 win. The following night Princeton got back in the win column as they topped Henry 59 to 46. Stan Peterson took scoring honors with 22 points.

On January 16, the Tigers met Dixon in another conference game and lost another heart-breaker. Although the game was very close, Dixon held a slim lead and emerged victorious, 54 to 51. The next night the Tigers were back to their winning ways as they easily downed Amboy, 61 to 45. Stan again led the scoring with a total of 22 points.

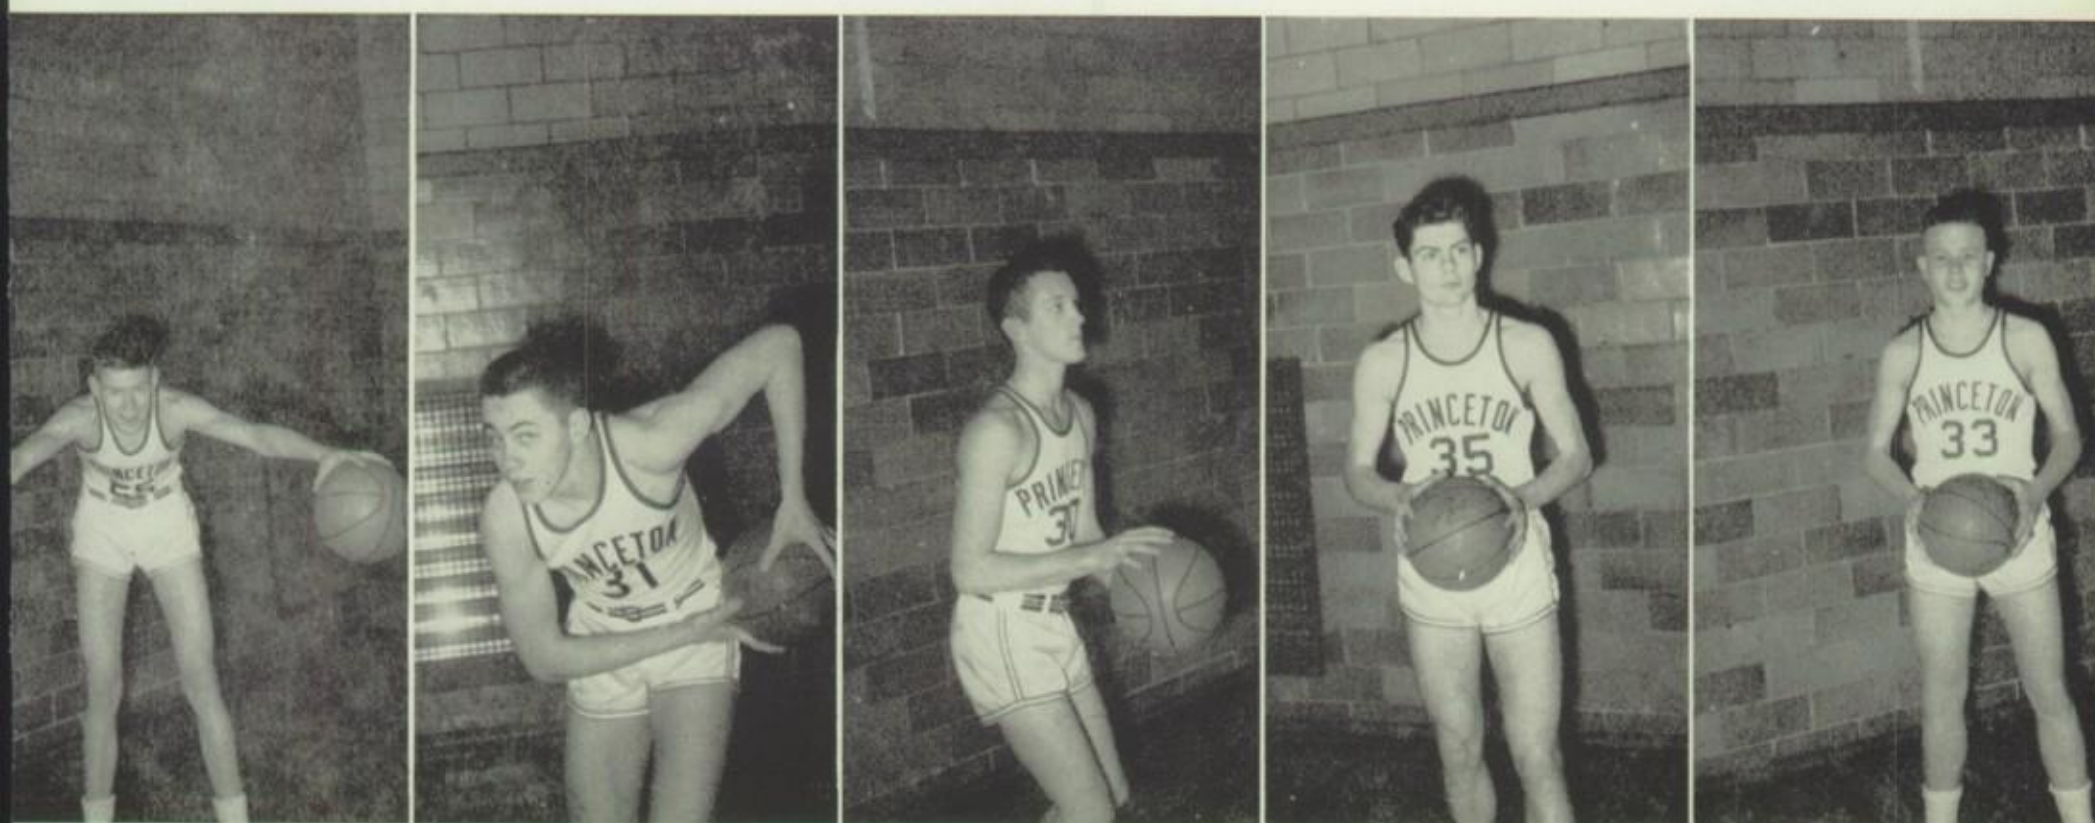

The next Friday Princeton had another close conference game but came up the winner of this one as they defeated the Rochelle Hubs. Fred Boher played a good game and dumped in twelve points. Stan Peterson was still high man, though, as he netted 17 points. Saturday night the Tigers ran up against East Moline on our home floor. Although leading most of the way, East Moline had all they could do to beat the Bengals.

The Big Four tournament was the big attraction the following week, and Princeton started out Monday night against Walnut. Freddy Boher had his best night of the year as he potted 27 points. Boher made fourteen markers the first quarter as he hit on every type shot imaginable. Two nights

later Princeton met the Hall Red Devils, who had defeated DePue in a thriller the first night. Boher was still hot and scored sixteen points as the Tigers roared to a 56 to 50 win.

Princeton now had two wins and no defeats while DePue and Hall had each lost one game. So the Tigers met DePue Friday night in a game that would mean the championship for Princeton. The first quarter was nearly even, but the Little Giants found the range the second period and led by six points at halftime. Princeton retaliated with a strong second half and steadily closed the gap. As the gun sounded, the score was knotted at 52 all! In the overtime period Princeton really came to life to score nine points to DePue's four, to win their second Big Four title. High scorers in this game were Peterson, Boher, and Halberg, who had 20, 12 and 11 points respectively.

The next week Princeton resumed conference play against Geneseo. With Halberg sidelined and Peterson slowed down due to bad ankles, Princeton was greatly handicapped. The Tigers trailed all the way and, despite a hot fourth quarter, were unable

Fred Boher again had most of the Tigers' scoring duties, tallying 17 points while Lewis Flinn collected eight. The Tigers got back in gear the next Friday by defeating Hall for a second time. A combination of Peterson and Flinn was too much for the Red Devils as they collected 43 points between them. This was the Bengals third conference win.

Princeton met a red hot Ottawa team the next Friday and, although playing good ball, took it on the chin, 77-55. The following night the Tigers took their tenth loss at Peoria Woodruff. Princeton met DeKalb in the last conference game of the year. Although Stan Peterson had 25 points, the Tigers were unable to make the victory column as they fell to the Barbs. The Tigers' next foes were Ohio in the Regional tournament. Halberg played a terrific floor game and was really hitting as he dropped in 21 points for his best effort of the season. Princeton came to life in the last quarter as they downed Ohio 62 to 50. The next night Princeton met DePue in the semi-finals. This game was much closer than the score sounded, and the Tigers lost this one due mostly to a great number of fouls.

This ended the Tigers' season at fifteen wins and twelve losses. Realizing that the whole squad, except for Halberg, were underclassmen, we may look for a bright future in basketball at Princeton.

THE SOPHOMORE basketball team this year had one of the finest records in the area for recent years, and the best in Princeton Sophomore history. The Sophomores chalked up nineteen wins and suffered only four losses.

Under the fine coaching of Mr. Jesse Durham, the team played inspired basketball. They started the season by beating Kewanee, but then they suffered a sound defeat at the hands of St. Bede's. However, the team then proceeded to set an enviable record by rolling to ten straight victories over Walnut, Varna, Morris, Marquette, DePue, Mendota, Rock Falls, Henry, Dixon, and Amboy, before losing to Rochelle. The Rochelle game was the only one the Sophomores lost in NCIC play.

The Sophomores rebounded to whip East Moline. Then after a week's layoff for the Big Four Tournament, the Kittens swamped Geneseo, Hall, Ottawa, and Sterling. The Ottawa and Sterling games were two of the high points of the season, since both opponents were previously undefeated in NCIC play.

The boys who did most of the work were Forrie Finn, Dick Hult, Ted Molen, Gary Mulally, and Joe Ruklick. However, this was by no means a five-man team. Much valuable assistance was given especially by Don Swanson and Phil Kasbeer, along with Duane Nyman, Richard Marine, Warren Creviston, and Jim Small.

After the Sterling game, the Kittens played in Rock Falls Invitational Tournament, but played one of their poorest games of the season and were eliminated in the first game by Mendota.

After losing to an inspired Peoria Woodruff team, the Sophomores beat DeKalb for the North Central Illinois Conference title. They then went to the Marquette Invitational. Out for revenge against anyone they could play, the Sophs slaughtered Hall 45-20. In the next game they again beat the tough Ottawa team, playing their best game of the year. The following night the Sophomores lost a heartbreaker to the host school, Marquette, by a score of 59-55. The record shows the Sophomores had a very fine team.

FRESHMAN BASKETBALL

FIRST ROW, left to right: Mr. Maechtle, Bob Carlson, Don Hanson, Richard Coddington, Dick Freeburg, Jerry Zurliene, Curtis Hulteen, Kent Eldert, Dick Wirges, Manager Don Mecum. SECOND ROW, left to right: John Springer, Dick Brown, Richard Dremann, Bradley Pihl, Gordon Peterson, Bob Hanna, Ray Seidel, Dick Reiland, Danny G. McDonald, Brian Hildebrand.

THE FRESHMAN cagers, guided by Coach Maechtle, boasted a squad of fifteen players. They played a regular season total of eighteen scheduled games. They broke even in the won and lost columns, winning nine and losing nine.

The Freshmen played the Sophomore reserves three times, dropping two and winning one. The Freshman B team defeated Logan Junior High twice. One of these games was an overtime contest.

Games played against other Freshman teams in the Princeton area were, of course, the highlights of the season. The Freshmen played Kewanee twice. Princeton won 48 to 40 in the first game, and in the second encounter Princeton again came through with a victory, 69 to 38.

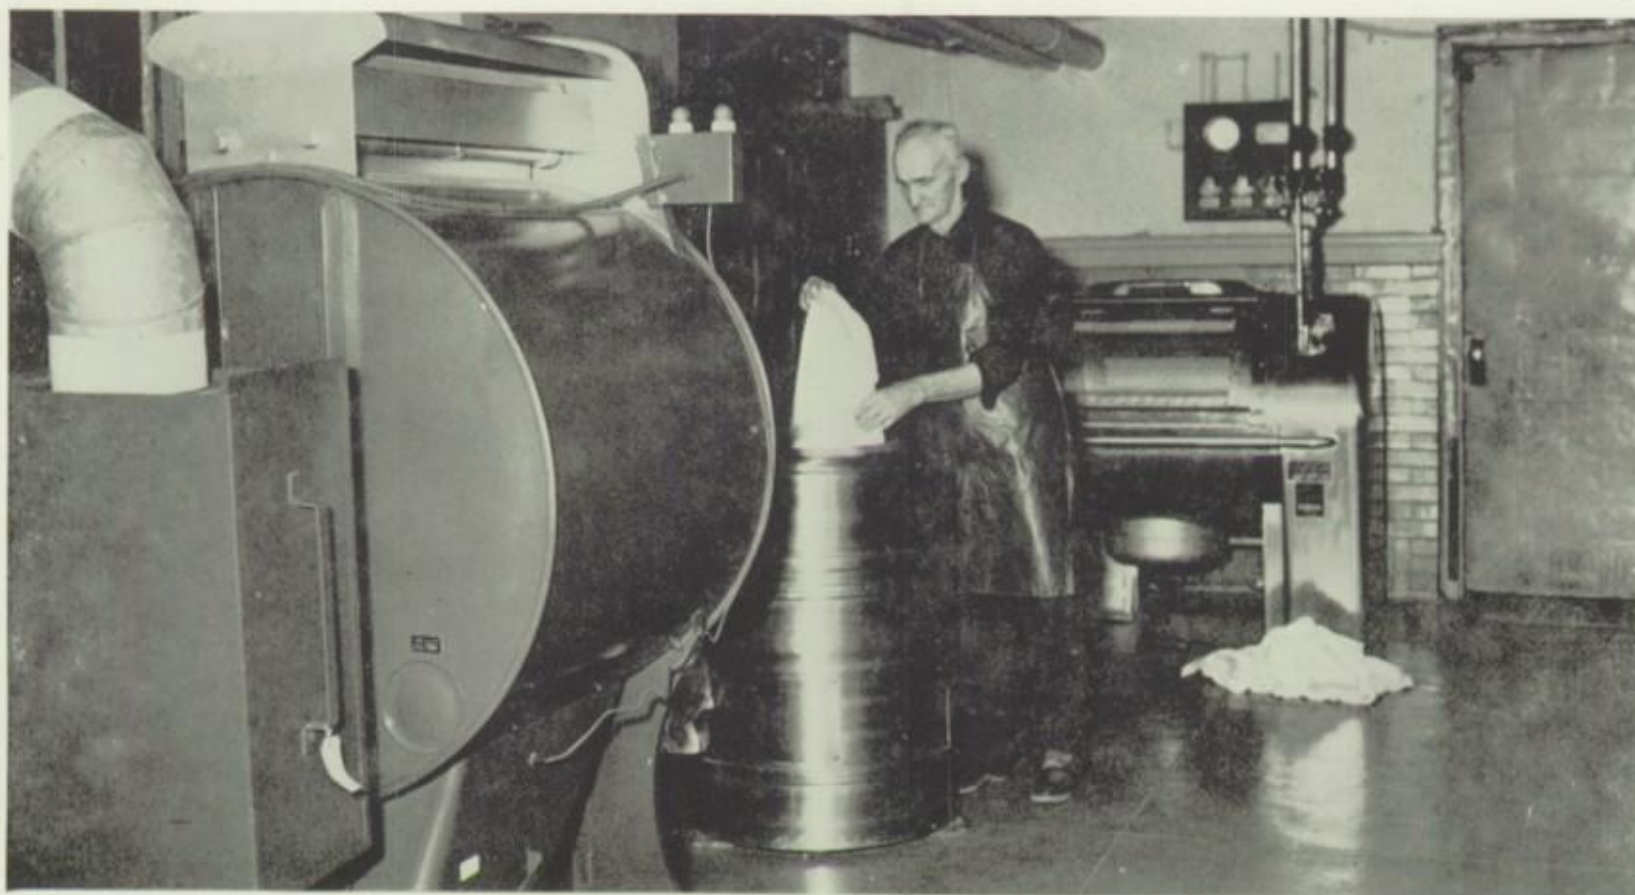

In competition with LaSalle-Peru, the story was radically different from the games played with

Kewanee. LaSalle-Peru won the first game from the Freshmen by a wide margin, 52 to 21. The second time they met, however, the Freshmen gave them a hard-fought game, for they led by 11 to 2 at the end of the first quarter. The Freshmen wound up this game by losing a heartbreaker, with the score reading 43 to 39.

After losing the first few games of the season, the Freshmen thereupon proceeded to win six consecutive games. This winning streak was the real highlight of the season for the youngest contingent in P. H. S. basketball.

The Freshman players practiced four nights a week under the capable guidance of Mr. Maechtle. Hard fighting Jerry Zurliene did an outstanding job at playing the pivot post for the Freshman cagers. The student manager for the Freshman team was Don Mecum.

NEW PHYSICAL EDUCATION EQUIPMENT

MR. BETZ operating our new Laundry Equipment.

DURING THE 1952-53 school year, there were two major changes made in the Physical Education and Athletic departments. The first was in the boys' locker room. In the summer of 1952, all of the old lockers were taken out. Now there are just benches and hooks. This improved the locker room because the old lockers were a possible home for athlete's foot and other infectious diseases. As a result, this year there were very few cases of athlete's foot. The change made it a more sanitary place.

The other change was the new towel system. The school has purchased a large washing machine, a spin dryer, and a complete dryer. This

equipment is pictured above. A large number of towels have also been purchased. By this system, all students or athletes receive towels at every gym class and for every athletic event when they take showers. Therefore, every time someone takes a shower, he gets a clean towel. This improves sanitary conditions excellently.

In the Athletic Department, the worn-out football equipment has been overhauled by a firm which does such work. Last year the school bought a steam iron to use on the basketball suits. Some new items of athletic equipment are bought every year to replace those worn out. Extensive improvements were also made on the track this spring.

WITH SIXTEEN lettermen back, the 1953 track team, as a whole, was much stronger than last year's team. Under Head Coach Ott and his able assistants, Coaches Durham and Maechtle, the team had a successful season.

Here is how the team "stacked up." Dash men included John Gleason, Dick Dant, Ray Marmaro, and Byron Marks. Distance runners were Jim and Dick Bergland, Clint Byrd, Tedd Mercer, Forrest Finn, Norman Wessel, Bob Yepsen, and Don Sankey. Pete Anderson, Grant Vickrey, Jim Becker, and Russ Bouxsein took part in the weight events.

Broad jumpers were Ray Marmaro, Don Faley, and Darell Eckberg. Ronnie Ellberg and Lewis Flinn performed in the pole vault. Fred Boher and Dick Dant were our high jumpers.

As this was written, Gary Mulally was expected to push Byrd and Yepsen for honors in the half-mile run. Many boys from last year's sophomore team were also expected to push hard to earn a place on the Varsity.

Two of our Pointgetters: Dick Bergland and Pete Anderson.

THE CROSS-COUNTRY team competed in eleven meets. Clint Byrd and Norman Wessel were the only returning lettermen. The team went through a fairly successful season under the fine leadership of Coach W. C. Ott.

Seniors Dick Dant and Jim Bergland, who also played football, took part in the conference and district meets to give the team added strength at those times.

The team placed fourth in the Conference Meet and fifth in the District Meet. This was a fine showing, considering that there were many good teams and a lot of good runners to compete against.

With the exception of the Berglund brothers, the team was composed entirely of freshmen, sophomores, and juniors. Because the bulk of the team was thus composed of underclassmen, the future looks very bright for Princeton's cross-country teams.

BASEBALL

THE 1952 BASEBALL season passed with the team winning six and losing nine under Coach Durham.

These included four doubleheaders which were all conference games. The team, traveling to DeKalb, split the double-header by losing the first game 9-1 and taking the second 8-3. Traveling to Sterling, Princeton was downed twice; the second game was lost by a disastrous 18-1 score. Princeton's one run was a homer by Bob Faley. Next, playing host to Rock Falls, the boys again played into a split. Ottawa then came to town and took home the conference championship by copping both games. The team ended conference play with two wins and six losses.

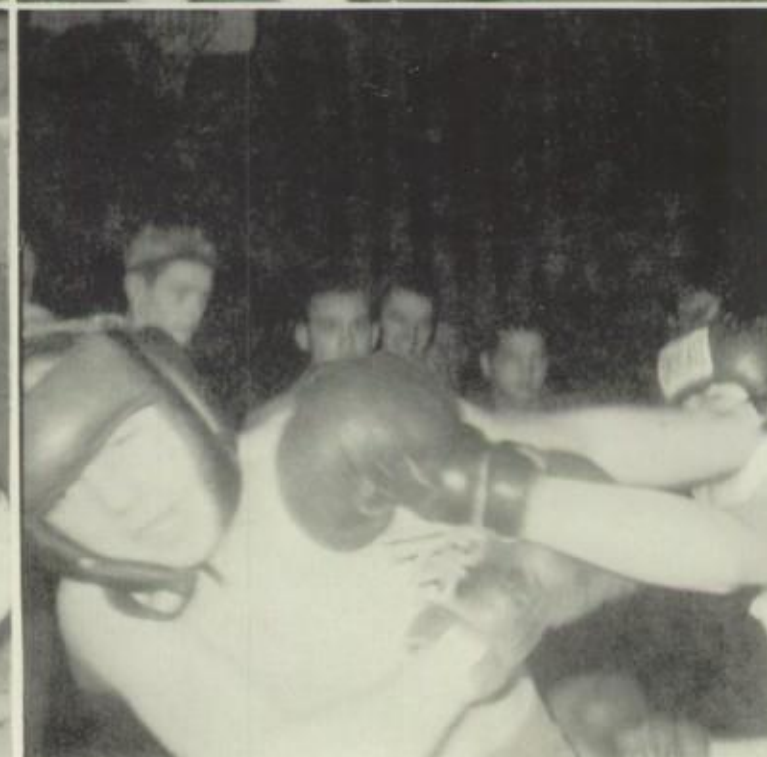

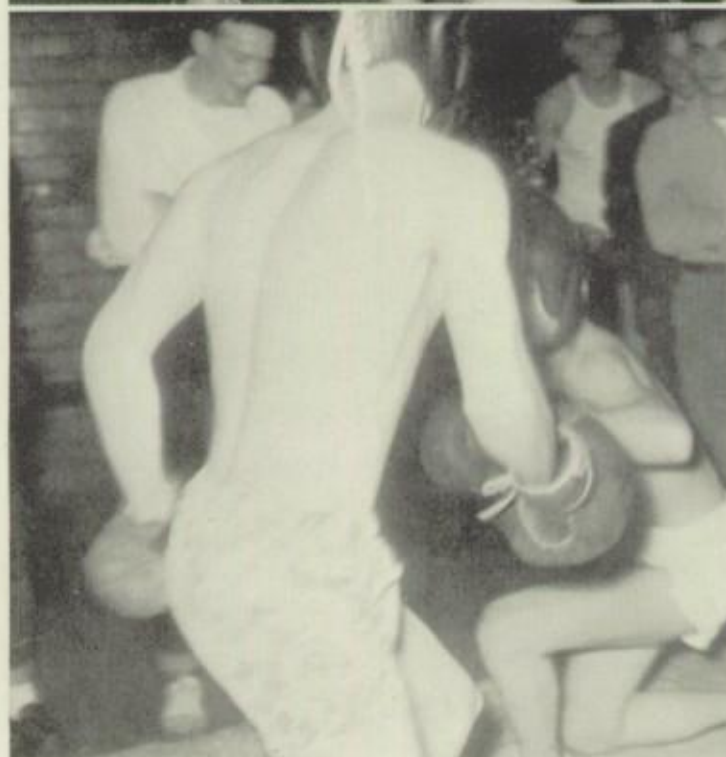

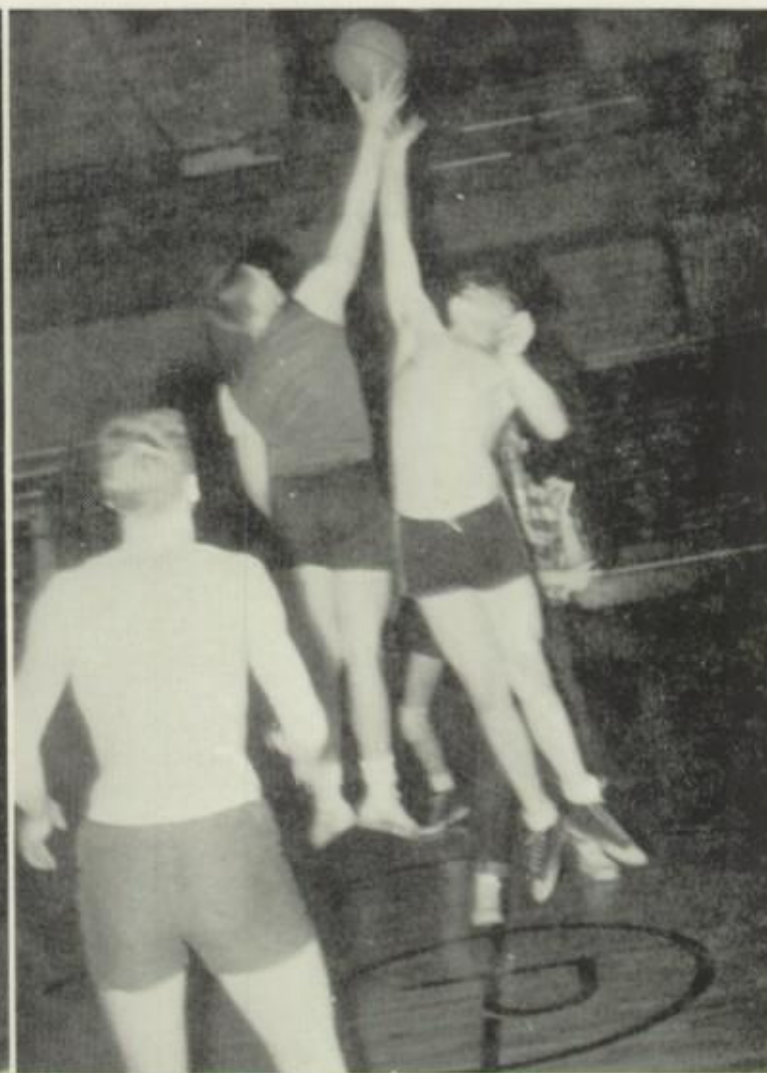

In non-conference play the team did consider-

ably better by winning four and losing three. Playing host to Sterling Community, the team again entered the win column, coming from behind to win. Moving to Earlville, they jumped off to an early lead, only to lose that lead and fall to defeat. Walnut sent over an inexperienced team which offered the Princeton team little resistance. Traveling next to Marquette Ottawa, the team once again entered the losing column. The boys then took on Earlville on their home grounds. Earlville again came out the victor, defeating a determined Princeton team. Walnut again sent their team to Princeton, only to be swamped again.
